Employee Services
DEDICATED TO EXCELLENCE • COMMITTED TO SERVICE

All Personnel Meeting

At Saturday's meeting, we were encouraged by powerful testimonies of both new and returning coworkers—each one a meaningful reminder of the truth: *We are laborers together with God* (1 Cor. 3:9a). Our roles and responsibilities may differ, but each one contributes to the mission God has entrusted to us. Whether our work is seen by many or carried out quietly behind the scenes, there is eternal significance in faithfully serving where God has placed us.

Together, we share the privilege of equipping the next generation with the biblical worldview, knowing that it is God who empowers the work and brings the increase. As we begin this year, may we feel His presence, encourage one another, and serve with expectancy for what He will accomplish through our collective efforts.

Thank you for the ways you invest in this ministry and in the lives entrusted to our care—it's a privilege to serve alongside you!

Troy A. Shoemaker

Reminders

By this Friday (August 21), please go to Workday and follow the steps to acknowledge reading any applicable handbooks. Then, be sure to review and update your personal information.

Announcements

Be a Campus Parent!

The Campus Parent Program is a meaningful way to help our new students by providing a bridge between home and college life. For most students, this will be their first time away from home—a step of faith that is both exciting and unsettling. Those eligible to be Campus Parents have already received emails inviting them to participate. If you haven't signed up already, be sure to sign up before August 21.

Wellness Program

Invest in Your Health with Fit to Serve

The Fit to Serve employee wellness program is designed to encourage and support your health and well-being. Through our free online platform WellRight, you can participate in challenges, track healthy habits, access wellness resources, and earn up to **$300 per year** just by participating!

Earn $25 on your Employee ID card with a free health screening!

Quest Diagnostics will be on campus August 19–26, offering free employee health screenings for all contract employees and GAs. In just a few minutes, you'll complete a simple screening that provides valuable information about key health indicators. It's a great opportunity to know your numbers and gain insight into your overall health. You will also receive wellness points.

Schedule your appointment today!

New Participants
Register: Quest Diagnostics
Registration Key: Pensacola2026

Returning Participants
Log in with the username and password created last year.

Appointments are limited, and walk-in availability will be minimal, so reserve your spot today.

If you have questions or need assistance with registration, email us at FitToServe@pcci.edu.

Recreation

As an employee, you have the added benefit of using outstanding recreation and fitness facilities at West Campus, Camp o' the Pines, and the Sports Center. Enjoy all kinds of activities from rock wall climbing, hiking, and biking to swimming, camping, sailing, shooting, and fishing. Visit the facilities page for more information.

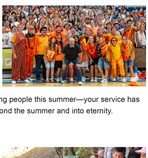
Summer Report

Camps

Summer ministry brought our campuses to life as faculty, staff, and college students invested in more than 13,500 campers through Youth Outreach Ministry. Their willing service created countless opportunities to share the gospel, encourage young people, and point hearts toward Christ. We rejoice that hundreds trusted Him as Savior—a lasting testimony to what God accomplishes through those who faithfully labor together in His work.

Camp o' the Pines enjoyed a successful summer of activities and ministry despite periods of extreme heat and periodic heavy rainfall. Parents consistently identified chapel services as one of the most influential elements of their campers' experience. **Discover Day Camp** at PCA experienced exceptional growth, driven in part by the addition of a new kindergarten group and updates to educational programming. While **Sports Center Day Camp** used campus facilities as a fun way to provide daycare for the local community and ministry family.

Academic Camps continued to provide unmatched educational experiences through the leadership of PCC and PCA faculty, offering eleven hands-on camps that inspired students to deepen their knowledge and explore academic interests beyond the traditional classroom. **Sports Camps** offered basketball, volleyball, and soccer athletes the opportunity to develop their skills under the guidance of Eagles coaches and student-athletes. **Music Academy** included a weekend experience at West Campus, a Sunday evening performance at Campus Church, and concluded its two weeks with a Music Gala.



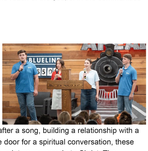
Teen Extreme experienced another outstanding summer, welcoming campers from across the country for six weeks of Christ-centered activities, preaching, and discipleship.

Thank you to our many camp leaders and their dedicated teams who invested so faithfully in the lives of young people this summer—your service has made a difference that reaches far beyond the summer and into eternity.

Missions Trips

This summer, **8 mission teams**, consisting of 123 students and 19 faculty/staff, traveled internationally and to Baltimore, Maryland. Each team was equipped with three primary objectives: to win souls for Christ, strengthen new and established ministries, and cultivate a lifelong commitment to missions in every team member. Their ministry included Bible and tract distribution, Bible clubs and camps, Vacation Bible Schools, youth events, sports clinics, medical clinics, school ministries, street evangelism, sacred music concerts, church services, manual labor projects, and other evangelistic outreach opportunities that expanded the reach of the gospel in the communities they served.

Proclaim



PCC students took music and sports ministry into churches, camps, and communities across the country. Through four vocal groups and a traveling basketball team, college students stepped into 191 ministry opportunities and 21 weeks of camp ministry. Whether sharing a testimony after a song, building a relationship with a camper, or using basketball to open the door for a spiritual conversation, these students had countless opportunities to point young people to Christ. They represented PCC with enthusiasm, encouraged young people to consider Christian college, and returned having seen firsthand what God can do through a life willing to serve.

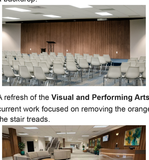
Summer Seminar

In its seventh year online, Summer Seminar hosted over 7,300 delegates engaging a strong global audience of teachers and school leaders—a reach far beyond what we were able to do when the event was held on campus. This year's seminar provided more new or updated topics than ever, featuring a total of 52 expert presenters and 66 dynamic sessions. Five tracks included practical helps in STEM, extracurriculars, special education, time management, and classroom organization in addition to the strong foundation of academic instruction.

Area Updates:

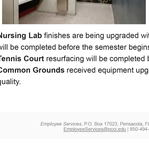
- **Bradley Tower** renovation is complete! Faculty, staff, and GAs explored this beautifully updated residence hall during the open house on Monday.

- **Gathering Place Stage** has been redesigned to include a slat wood wall as a backdrop.



- A refresh of the **Visual and Performing Arts** building is underway, with current work focused on removing the orange wall covering and replacing the stair treads.

- The **PCA restroom** renovation project concluded this summer with completion of the guest and gym restrooms.



- **Nursing Lab** finishes are being upgraded with a fresh, modern design and will be completed before the semester begins.
- **Tennis Court** resurfacing will be completed by the end of August.
- **Common Grounds** received equipment upgrades to improve product quality.
