

RESOURCES

Library Prints

The Library has offered to provide free black-and-white prints for Christian Services (limit of 75 for children's ministries and 25 for others per semester). To receive refunds for Christian Service prints, click [here](#), search for your Recent Print Jobs, and find the job that needs reimbursed/refunded. Give 1-2 weeks for these refunds to appear.

Bibles

We have a variety of Bibles available to all Christian Services, including large-print Bibles for nursing homes, paperback Bibles for JJC, and a variety of foreign language Bibles.

Tracts

We have approved tracts that have been vetted for good doctrine and presentation. These are available in the Christian Service Closets. If you have a tract that you would like to have approved, bring it to the Student Activities Office for review.

Flash-a-Cards

There are a variety of Flash-a-Cards series for both children and teens, including Creation, Old Testament narratives, Ministry of Jesus Christ, Salvation series, Life of Paul, and even a Thanksgiving series.

Decision Cards

Decision cards are also available in the Student Activities Office. When someone on your Christian Service makes a decision, whether about salvation or surrender, we want to encourage them to become involved in a local church as soon as possible so that they can continue to grow in their faith among fellow believers. Students should not contact local pastors for any reason. Decision cards should be filled out and brought to the Student Activities Office so that we can have a local church come and make personal contact with that individual. ***If the person is a minor, obtain the parents' permission to fill out a decision card or (preferably) have the parent fill it out.*** If you have any questions about decision cards, contact the Student Ministry Coordinator.

Songbooks

A variety of songbooks and hymnals are also available, including children's songbooks, spiral-bound hymnals, and large-print hymnals.

Discipleship Materials

Children and adult discipleship pamphlets are available to help teach new converts the next steps to take as a believer. Additional discipleship materials can be purchased from the Campus Store. Any other discipleship materials must be approved before use.

Sports Equipment

Sports equipment is provided for Bible Clubs and other Christian Services to use with games and activities. Equipment should be returned to the closet immediately upon returning to campus so that all groups may use it.
