# GENERAL INFORMATION

## THE RECORD

**Pensacola Christian College** was an idea that came from God. This idea became a reality in 1974 when 100 students arrived at PCC's one building. Forty years later, students now represent every state and 65 foreign countries. PCC offers a wide variety of programs in some of the finest college facilities in America. Although PCC has grown, excellence in education and commitment to the Lord remain the core of the College's balanced program.

**Pensacola Theological Seminary** was founded in 1998 when PCC saw the need to expand its practical, Bible-centered approach to ministerial training. The goal of the Seminary is to fill each student's mind and heart with what the Bible says. The purpose of the Seminary is to prepare servant-leaders to share the gospel boldly, preach the Word clearly, and shepherd the flock faithfully.

## MISSION AND PURPOSE

Pensacola Christian College was founded in 1974 under the leadership of Arlin and Beka Horton. God called this institution into existence for His glory. The goal was to train young men and women in higher education for a life of service to Jesus Christ. The founders' vision for PCC continues to the present.

Our **mission** is to promote the cause of Christ by providing a distinctively Christian-traditional, liberal arts education that develops students spiritually, intellectually, morally, culturally, and socially. The College has its own unique personality, character, and philosophy of education in line with its mission.

Our **purpose** in both undergraduate and graduate programs is to produce Christian leaders who are knowledgeable, articulate, moral, dedicated to excellence, and committed to serving Jesus Christ as they learn to influence the world by applying biblical principles in their chosen field and daily life. Courses and programs may be developed which are consistent with the founding mission.

## ARTICLES OF FAITH

We believe that the Bible is the verbally inspired and infallible, authoritative Word of God and that God gave the words of Scripture by inspiration without error in the original autographs. God promises that He will preserve His Word; Jesus said, "My words shall not pass away"—Matt. 24:35. We believe that God has kept that promise by preserving His infallible Word in the traditional Hebrew and Greek manuscripts and that the Authorized Version (KJV) is an accurate English translation of the preserved Word of God.

- We believe there is one triune God, eternally existent in the persons of Father, Son (Jesus Christ), and Holy Spirit; these three are one in essence, but distinct in person and function.
- We believe that Jesus Christ, the Second Person of the Trinity, became the physical manifestation of the Godhead to mankind. The earthly genealogy of Jesus may be traced through Joseph's line to Abraham (Matt. 1:1–16) and through Mary's line to Adam (Luke 3:23–38). We believe in His virgin birth, sinless life, miracles, vicarious and atoning death through His shed blood, and His bodily resurrection.
- We believe in the burial, bodily Resurrection of Jesus Christ from the tomb, and His ascension into Heaven. (I Cor. 15:1–4).
- We affirm that the Holy Spirit is the Third Person of the Trinity, the Agent of conviction, regeneration, indwelling, baptism, sanctification, and illumination of all who are born into God's family through Jesus Christ. We are opposed to the charismatic movement and its tongues and other sign manifestations.
- We believe God created the heavens and earth in six literal days, and that God created all life (Gen. 1). We reject the man-made theory of evolution occurring over millions of years and believe the earth is 6,000 years old. We believe that man was created in the image of God but chose to sin. Hence, all persons inherit a depraved nature and are lost sinners in need of salvation.
- We believe that God created man and woman and instituted marriage between one man and one woman, as a picture of Christ's relationship with the church (I Cor. 7:1–17, Heb. 13:4, Matt. 19:3–12, Eph. 5:22–33).
- We believe Christ's blood, shed on Calvary, is the only Atonement for man's sin (I Pet. 1:18–19, I John 1:9, John 14:6). We believe that salvation is a free gift of God for "whosoever will"; it is by grace, through faith, plus nothing, and believers are eternally secure.

Salvation is received only by personal faith in the Lord Jesus Christ and His finished work. “Whosoever will” may come to Christ; God does not pre-lect persons to heaven or hell.

- We believe the spiritual unity of the body of Christ, called the church, is composed of all born-again believers who have by faith accepted Jesus Christ as Savior (Eph. 2:8–22, 3:1–21, 4:4–16, 5:23–32). God has ordained the local church for the perpetuation of His truth and work in the world. The two ordinances of the local church are baptism by immersion and a regular observance of the Lord’s Supper by believers.
- We believe Scripture regarding Satan, who rebelled against God and was cast out of heaven with a host of angels who followed him (Isa. 14:13–14). He introduced sin to Adam and Eve in the garden of Eden (Gen. 3:1–13). He continues to turn people from truth and against God (I Pet. 5:8). Eternal hell was created for Satan, his demons, and people who do not believe in the Lord Jesus Christ for salvation (Rev. 20:15, Matt. 25:41, John 3:16).
- We believe that the believer is called to a life of consecration which requires increasing in the knowledge of Christ and growing in grace (Col. 1:10, II Pet. 3:18, John 15:4–5).
- We believe the will of God for all believers is to give evidence of sanctification to the world through being honorable in all relations with others (Rom. 12:1–2, I Thess. 4:3, James 1:27).
- We believe in the resurrection of both the saved and lost: those that are saved unto the resurrection of eternal life in heaven and those that are lost unto the resurrection of eternal damnation in a literal lake of fire.
- We believe in the imminent, pre-Tribulation return of Jesus Christ for all

believers. The Rapture of the saints will be followed by a seven year Tribulation, after which Christ will return in glory to judge the world and set up His millennial reign on earth.

Without meaning to be unfriendly or unkind, we feel it only fair to say that Pensacola Christian is not a part of the “tongues movement” and does not allow students to participate in or promote any charismatic activities, nor do we permit students to promote hyper-Calvinism.

Pensacola Christian College is committed to the plenary, verbal inspiration of the Bible, and it is our practice to use only the Authorized Version (KJV) in the pulpit and in classroom instruction. We believe the Textus Receptus is a superior text, and it is used for Greek instruction.

The College serves a constituency of churches across America that is primarily independent Baptist. Faculty, staff, and students attend Campus Church, which operates in the spirit of an independent Baptist church in both faith and practice.

### PHILOSOPHY OF EDUCATION

Graduate degrees offered by various departments of Pensacola Christian College are based on the Christian-traditional philosophy in contrast to humanistic, progressive systems of education. Christian-traditional education is rooted in objective reality and absolutes, as opposed to relativism. The Christian-traditional philosophy provides students the programs and methods of studies that impart Christian character development, communicative skills, and subject matter in harmony with the inspired Word of God, which is *“profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works”* 2 Tim. 3:16–17.

We believe the content of Christian education must be in harmony with *“whatsoever things are true, ... honest, ... just, ... pure, [and] ... lovely” Phil. 4:8*. We believe that classroom methods should be faculty-directed (*Deut. 6:7*), with the student acquiring knowledge through studying (*2 Tim. 2:15*), researching (*John 5:39*), reasoning (*Acts 24:25*), relating (*Luke 24:27*), and recording (*3 John 12*).

Scripture gives the true view of God and man. God is an orderly Personality. He created man and the universe and is the Author of order, reason, and reality that are reflected in the universe. All truth is God’s truth.

Christian education must deal with the social and the spiritual, as well as the academic, dimensions of the student. Academic programs of Pensacola Christian are only a part of the educational process of college life. The essence of a disciple of Christ is self-denial (*Titus 2:12*) and self-discipline. The chapel platform and Campus Church pulpit are vital in the Christian training program. Classroom instruction supports and reinforces that training. Students are taught the Christian philosophy of life so they are armed *“lest any man spoil [him] through philosophy and vain deceit” Col. 2:8*.

Through Christian education, the student must be brought to *“unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ” Eph. 4:13*. The graduate is then able to be an effective witness for Christ and is academically equipped in a free society to manifest the fruit of the Spirit in daily life.

### VALUES AND STANDARDS

Pensacola Christian College is committed to excellence as a Christian educational institution which glorifies Christ as the

source of all wisdom and knowledge and which educates students based on biblical values. The Administration, faculty, and staff are dedicated to training young people for serving God.

Having a sense of the need for an environment conducive to spiritual growth has led Pensacola Christian College to adopt standards consistent with values that promote the spiritual welfare of all students. Each member of the college community must conduct himself according to moral and ethical principles found in Scripture.

### OBJECTIVES AND LEARNING OUTCOMES

In relation to PCC’s mission and purpose to provide a distinctively Christian-traditional, liberal arts education, PCC desires that students will be academically and intellectually competent in their chosen fields of study, knowledgeable of the Bible, capable of rightly dividing the Word and truth of God, and equipped to take the gospel message to the world through testimonies in character and example. # STUDENT LIFE

## LIVING FACILITIES

Residence hall rooms are carpeted, air-conditioned, and have adjoining bath. No linens or pillows are furnished.

During the summer, residence hall accommodations are available on campus for single students and married couples with no children. During summer sessions nonstudent spouses may live in the residence halls if space is available and pay only room and board for sessions they stay.

During one-week modules, rooms are double occupancy; nonstudent spouses may also stay. Contact Admissions Department for details.

## CAMPUS CHURCH

The center of spiritual vibrancy is the warm local church atmosphere of Campus Church, which operates in the spirit of an independent Baptist church. The pastor and other church staff acquaint students with the workings of a separated, Bible-believing church and encourage them in their worship and service for the Lord.

Faculty, staff, and their families—as well as many local townspeople—join the college students in Sunday school, Sunday morning and evening, and Wednesday evening services. College students that have moved to the area to attend PCC are not considered permanent residents and are therefore expected to attend all the services of Campus Church.

## CHAPEL SERVICES

College chapel meets four times each week and Seminary chapel once a week. Each year, outstanding evangelists, pastors, and missionaries preach in chapel.

## CAREER SERVICES

Career Services assists PCC and PTS graduates in finding full-time employment, which includes hosting Educator Recruitment and Career Fair in the spring. The Career Services website allows graduates and organizations to connect with each other regarding their respective job interests.

## STANDARDS OF CONDUCT

### Biblical Principles

The Bible is the final authority for all things and the means by which God provides principles for living in a way that protects from harmful thinking and behavior. Scripture clearly teaches how Christians are to live. In light of the wonderful gift of salvation, we are to live our lives in active pursuit of a lifestyle that keeps us pure and clean before God with careful attention to avoiding anything that detracts from our relationship with Christ (Titus 2:11–14, Rom. 12:1–2, Phil. 4:8).

In light of these principles, Pensacola Theological Seminary and Pensacola Christian College have adopted standards to promote an environment that is conducive to academic, social, and spiritual growth. Where the Bible directly addresses a matter, standards are set accordingly. However, since God's Word does not mention every aspect of college life, biblical principles are followed and conservative expectations have been established to encourage right Christian living.

### Personal Character

Each student is expected to act in a manner that reflects biblical values and to develop personal character traits that show maturity. Further, as a community of Christians, students should encourage and support others to live in a manner that pleases God. Characteristics that are representative of Scriptural standards and should be emulated include love for God's Word; respect for God, other people, and property; kindness and consideration for others; compassion and Christian love; honesty and integrity; discipline and self-control; modesty and purity; diligence; responsibility; thankfulness; and etiquette and manners.

### Prohibited Activities

Each student accepts the responsibility to actively uphold the Code of Conduct and to refrain from any action that would be detrimental to spiritual growth, the

safety or well-being of others, or that would impair the ability of others to follow the Code of Conduct (1 Pet. 2:11, Rom. 14:13). For this reason, students are expected to abstain from any illegal or prohibited activities including use, possession, or association with alcohol, tobacco, and illicit drugs; pornography or sexual immorality; dancing; profanity or obscenity; harassment, abuse, and discrimination; gambling; stealing; and satanic practices.

### College Standards

Formulated to give direction in matters that require discernment, college standards for clothing, music, entertainment, social life, and other general responsibilities are applied in an effort to align with the spirit and intention of biblical principles and to reflect conservative values.

Additional information is available in the *Pathway to College Success: Student Resource Guide* found online at [pcci.edu/pathway](http://pcci.edu/pathway).

A student information booklet is sent in May to each summer student listing examples of policies involving attire and standards of conduct. Other policies applying to various areas of student life on campus and in residence halls are in the *Seminary and Graduate Information Book* and will be given out upon arrival.

Prospective students are welcome to call the Seminary-Graduate Studies Office for answers to specific questions regarding student life (1-877-PTS-GRAD [1-877-787-4723]) or to visit overnight. Academic regulations are found elsewhere in this catalog.

### Appeals

Any student has the opportunity to appeal matters that affect student conduct violations. If necessary, the Appeals Committee in the Student Care Office will review facts related to the case and make a final determination. The Appeals Committee is composed of a student, a faculty representative, and a representative from Student Life.

\*\*Graduation fees: Dec. graduates pay with Nov. 24 payment; May graduates pay with Apr. 13 payment.

### Reservation Fee— Fall/Spring

The Reservation Fee is nonrefundable and nontransferable unless the Seminary/graduate student initiates cancellation and submits a written refund request within three working days of the payment and before class begins. The Reservation Fee will be credited to the student's account at Registration.

The spring Reservation Fee for returning students is due Dec. 12, 2014. The fall Reservation Fee is due May 6, 2015, unless the student notifies the Seminary or College by May 1, 2015, that he is not returning. Students who plan to attend year round and who begin their work in the summer must pay the fall Reservation Fee by Friday, July 25, 2014.

### Student Services Fee— Fall/Spring

This fee covers student services and activities such as library, Fine Arts Series, athletic events, and yearbook. The part-time student's fee does not include Fine Arts Series or yearbook.

### Technology Fee— Fall/Spring

This fee provides for technology services including individual on-campus e-mail accounts; campus Internet access; wireless service in campus buildings; communications; and corresponding hardware, infrastructure, and support.

### Payment Plan— Fall/Spring

Any student who plans to enroll for fewer than 12 credits in a semester should contact the Business Office for specific financial details concerning his account.

The basic cost for the school term may be paid by the semester. A payment plan of eight payments is also available to students who are U.S. citizens. Payments may be made by check, money order, Visa®, MasterCard®, or Discover®.

Payments may be charged automatically to a credit card for students who apply for this service. We are unable to accept postdated checks or to hold checks. By Aug. 1 [Jan. 12], all students must pay at least one fourth of the semester’s tuition, room and board, Student Services Fee, and Technology Fee.

The installment payments are due:

- 1st payment. . . . . August 1, 2014
- 2nd payment. . . . . September 29, 2014
- 3rd payment. . . . . October 27, 2014

- 7th payment. . . . . March 16, 2015

Midterm or final exams may not be taken unless a student’s account is completely up-to-date. Students paying their accounts more than nine days late are charged a \$15 late fee. Students with accounts more than ten days in arrears may not be allowed to attend class until their accounts are made current. If after students have missed five class days their accounts are still not current, they may be required to discontinue enrollment.

**A Beka Foundation Educational Fund**

PTS and PCC maintain charges that are among the lowest in the nation; thus in effect, every student enrolled in PTS or PCC receives an automatic financial benefit of several thousand dollars.

A Beka Foundation Educational Fund provides low-interest loans to deserving students who need help in financing their seminary education at PTS or graduate education at PCC. Students attending year-round (fall/spring) are eligible to apply for A Beka Foundation loans upon completion of 9 credit hours. Students who meet A Beka Foundation Educational Fund loan requirements may be permitted to borrow up to \$2,000 per year for up to four years. Additional infor-

mation for this program is available from  
*A Beka* Foundation Educational Fund  
 P.O. Box 17100  
 Pensacola, FL 32522-7100

**Scholarships**

The following scholarships have been made available to seminary students by individuals wanting to help worthy students who are unable to pay their tuition without financial help. Students may pick up an application at the Business Office. The application deadline is April 1. Students are eligible to receive one scholarship each year (not to exceed \$4,000 during four years of attending PTS).

This fee provides for technology services to students including corresponding hardware, infrastructure, and support; individual on-campus e-mail accounts; access to *Eagle's Nest*; and course delivery.

**Video Deposit— DVD Courses**

When all videos have been returned to the College undamaged, the \$100 Video Deposit will be credited to your college account unless the Business Office has received a written refund request. If videos are lost or returned damaged, a partial refund will be given based on the number of videos returned in good condition.

## MISCELLANEOUS COSTS

Textbooks, supplies, laundry, and incidentals may total \$350–\$600 per semester, depending, of course, on the individual student.

## HEALTH SERVICES

PCC's Graf Clinic, staffed by medical professionals, provides health care for illness and injury during clinic hours. Resident and non-resident students needing to see the medical doctor may do so at a fee of \$15 per visit. Fees incurred for on-campus labs, diagnostic testing, and pharmaceuticals will be applied to the student's account at the time of service. After-hours health needs and serious illnesses or injuries are referred to off-campus medical facilities associated with one of three area hospitals.

PCC does not accept responsibility for illness or accident on or off campus and does not accept financial responsibility or provide insurance for students needing emergency medical care, hospitalization, or off-campus medical attention. Students are responsible to provide either their own health insurance coverage or

pay the cost themselves. Students use school facilities at their own risk.

### FINANCIAL SERVICES

Two ATMs (automatic teller machines) have been placed on campus for the students' banking needs. Any ATM card may be used; however, there is usually a nominal charge for using ATM cards not issued by Bank of America or Regions Bank.

Bank of America and Regions Bank offer an inexpensive package of student banking services, including no-cost checking accounts (no minimum balance required).

All checks to the Seminary or College for tuition and fees should be made out for the exact amount owed since the Business Office does not provide banking and check-cashing services.

### CANCELLATION AND WITHDRAWAL POLICIES

After a student has enrolled in the Seminary or College, any action that would cause the student to leave the Seminary or College before routine completion of the semester (voluntary or involuntary) will be considered a withdrawal.

To withdraw from the Seminary or College with official approval, a student must have a withdrawal form properly executed by the Academic Offices.

### Fall and Spring

Any student who does not cancel his reservation at least one week before the formal beginning of the semester for which he is enrolled must pay 25 percent of the full semester's tuition within 30 days. (Deadline for fall semester is 4 P.M., Monday, August 25, 2014; spring semester is 4 P.M., Sunday, January 11, 2015.)

A student whose withdrawal is officially approved and whose departure is before the end of the first three weeks of the semester owes the semester's tuition according to the following schedule:

- During first week ..... 25% tuition
  - Fall: check in—Sept. 7, 2014
  - Spring: check in—Jan. 24, 2015
- During second week..... 50% tuition
  - Fall: Sept. 8–14, 2014
  - Spring: Jan. 25–31, 2015
- During third week..... 75% tuition
  - Fall: Sept. 15–21, 2014
  - Spring: Feb. 1–7, 2015
- After three weeks ..... 100% tuition
  - Fall: after Sept. 21, 2014
  - Spring: after Feb. 7, 2015

A student also owes fees and room and board (if a residence hall student) at a pro-rated amount based on the length of his stay.

### Summer

Cancellations must be made at least 48 hours before the beginning of any 2014 summer session to avoid a monetary penalty. The deadline time is 4:30 P.M. CDT on the dates below.

Session I	Friday	June 13
Session II	Tuesday	June 24
Session III	Monday	July 7
Session IV	Sunday	July 20

Any student who does not cancel his reservation by the stated deadlines must pay the full tuition and fees for that session within 30 days.

If a student comes and claims his reservation but withdraws before completing the session, he is responsible for full tuition and

fees for the course that session (exception: students taking 2 courses each day—see the Business Office Supervisor).

### **Withdrawal**

Whenever a student's status is changed to "withdrawal" and the student owes money on his account, the money is due upon withdrawal. Interest of one percent per month (12% APR) will be charged beginning 30 days after the withdrawal on the unpaid balance until the debt is paid in full.

Should a student leave the Seminary or College for any reason after having paid more than the amounts outlined above, a refund is made to him for any overpayment; but no other refund is made to a student for any other reason. No refunds are issued on a student's account until after the third week of school has been completed.

For a student to withdraw from a class, he must obtain written permission from the Registrar and submit it to the Records Office.

When a student is accepted for fall semester, he is expected to remain a student at the Seminary or College for both fall and spring semesters of that academic year. The student's reservation is automatically carried over from fall semester to spring semester within a given school year. Therefore, if a student withdraws at the end of fall semester, he must notify the Seminary-Graduate Studies Office in writing.

### **NOTICE OF LIABILITY**

Pensacola Theological Seminary and Pensacola Christian College are not liable for damage to any personal belongings of students under any circumstances including the event of a catastrophe, such as but not limited to windstorm, flood, hail, riot, riot attending a strike, civil commotion, explosion, fire, smoke, and vehicle or aircraft accidents. Neither the Seminary nor the College are liable for theft of personal belongings of students, staff, or faculty members.

# GENERAL ACADEMIC INFORMATION

## GENERAL ADMISSION REQUIREMENTS

A baccalaureate degree from a recognized college is required before a student may be considered for admission to any seminary or graduate program. The course of study supporting the applicant's baccalaureate degree should be substantially similar to that required of Pensacola Christian College undergraduates. Individuals not holding a standard degree should contact the Seminary-Graduate Studies Office regarding bachelor equivalency requirements for Seminary programs. PTS and PCC reserve the right to withhold recognition of credits received at any seminary, university, or college that does not in the opinion of the Administration meet reasonable academic standards.

### Academic Admission Requirements

- Master's degree requires a bachelor's degree with a minimum 2.50 cumulative GPA (2.00 for M.Div. and M.Min. degrees).
- Specialist degree requires a master's degree with a minimum 3.00 cumulative GPA.
- Doctoral degree requires a master's degree with a minimum 3.00 cumulative GPA.

Specific degree programs may include additional admission requirements. Applicants who do not meet minimum academic admission requirements may be admitted as provisional students.

### First-Time Students

If you are attending for the first time, use the following checklist to apply:

1. Completely fill out the correct Application for Admission included with this catalog (indicate which

sessions, terms, or modules you plan to attend). If you need another application, contact the Director of Admissions. You may also apply online at [pts.pcci.edu](http://pts.pcci.edu) for Seminary and [pcci.edu](http://pcci.edu) for Graduate Studies.

2. Enclose the \$50 Application Fee. Payment may be made by personal check, money order, Visa®, MasterCard®, or Discover®.
3. Request the institution of higher education that granted your bachelor's degree to send a complete transcript to the Director of Admissions. We must also have transcripts of all graduate-level and undergraduate-level work.

### New International Students

Complete the above requirements under First-Time Students.

Students with degrees from non-English-speaking institutions are responsible to provide a certified translation of transcripts and course descriptions. This certification may be made by (1) a commercial certifying organization or (2) an individual with appropriate credentials in the country where the student attended college. A copy of the transcript in the native language must accompany the certified translation.

Transcripts from non-English-speaking institutions must also be evaluated by Educational Credential Evaluators (ECE). Start your evaluation at [ece.org](http://ece.org). Choose the Course by Course evaluation and follow the steps required. PTS/PCC must receive the evaluation report before your file will be reviewed for final acceptance.

International students should allow a minimum of six months to complete application procedures. PCC is authorized under federal law to enroll non-immigrant alien students. The regular

application form should be completed and returned with the \$50 Application Fee and the appropriate Reservation Fee to the Director of Admissions. The application cannot be processed until these fees are received; all payments must be in U.S. currency. International students' accounts will be charged any handling fees assessed by a foreign bank (e.g., transfer funds, etc.). It is required by United States Immigration and Customs Enforcement regulations that international students submit to the Seminary/College all application forms, academic records, and proof of financial responsibility before the Immigration Form I-20 can be sent. In addition, the College requires international students attending the fall or spring semester to submit one semester's tuition, room and board, fees, and one-way transportation charges from the College to the student's home before final acceptance can be granted and the Immigration Form I-20 will be sent. Each semester must be paid in advance.

Non-English-speaking students are required to take the Test of English as a Foreign Language (TOEFL). Have your TOEFL test scores sent directly from the Educational Testing Service to the Director of Admissions as soon as possible. This is done automatically if you specify our college TOEFL number 5970 when you take this test.

A minimum score of 80 on the Internet-based TOEFL is required for entrance into the graduate programs. Applicants whose TOEFL composite score is below the standard may be admitted on a provisional basis. Students accepted on a provisional basis must earn at least a 3.00 GPA (2.00 for Master of Divinity and Master of Ministry) after completing 9 credits of graduate courses to continue in the program.

### Continuing Students

If you have previously attended PTS or PCC graduate studies and the next course you are applying to take is *within*

*12 months* of the last course you took, you are a continuing student. Fill out an Application for Admission (indicate which sessions, terms, or modules you plan to attend). If applying for fall or spring, also enclose the appropriate Reservation Fee:

Fall/Spring, 6 or more credits . \$125  
 Fall/Spring, 1–5 credits . . . . . \$65

### Reenrolling Students

If you have previously attended PTS or PCC graduate studies and the next course you are applying to take is *more than 12 months* from the last course you took, you are a reenrolling student. Completely fill out an Application for Admission (indicate which sessions, terms, or modules you plan to attend). Also enclose the \$50 Application Fee. If applying for fall or spring, also include the appropriate Reservation Fee:

Fall/Spring, 6 or more credits. \$125  
 Fall/Spring, 1–5 credits . . . . . \$65

### Bible College Graduates

In addition to the requirements listed above, the following conditions apply to the admission of Bible school, Bible institute, or Bible college graduates:

1. Such students must have earned a baccalaureate degree of a quality and type commonly recognized as representing the culmination of a liberal arts education.
2. Under certain conditions a student with a Bible diploma may attend the undergraduate program of Pensacola Christian College and transfer his Bible school education into a baccalaureate degree before going on to do seminary or graduate work.

### Changing Program of Study

Acceptance under one Seminary or graduate program of study does not guarantee acceptance under another program of study. Students who wish to change their program may need to complete a new application for that major

(and include the \$50 Application Fee). Contact the Seminary-Graduate Studies Office for details.

### Student Standing

- A **regular student** is one who is currently enrolled and maintaining satisfactory academic progress toward completion of a degree.
- A **provisional student** is one who is admitted with less than the minimum academic entrance requirements or who is presently under Academic Probation status.
- A **special, non-degree student** is one who meets the qualifications to take graduate courses and is merely enrolling in courses for personal benefit. Courses taken for personal benefit may not be changed to a credit basis after the course has started and may not be taken a second time for credit toward a degree. Contact the Business Office for tuition and fees that apply to personal-benefit courses.

### GENERAL RESIDENCE REQUIREMENTS

All courses except Continuing Dissertation/Major Project Services, approved PTS/PCC Correspondence and Distance Learning (p. 20), and Independent Study courses must be taken on campus. Specific residence requirements are given under each program of study.

The student must take required courses in the sequence predetermined by the Seminary or College. A student taking courses out of sequence may require more time to complete a degree than the standard residence options require.

A student who wishes to take less than the normal load may do so and thereby extend the period of time required to complete his program of study. Students who extend their program of study may be subject to any changes in the degree requirements if

they do not attend consecutive semesters full-time within their particular program of study.

A normal full-time seminary or graduate load is 9 to 15 credits, depending on the program in which a student is enrolled. A maximum load is 20 credit hours during a semester or summer term.

A student may earn up to 20 credits of coursework during the fall or spring semester or summer term, including correspondence and distance-learning courses and one-week modules. For example, a Master of Divinity student who takes 15 credits in the fall, spring, and summer could take an online course during each of those terms or a single one-week module during January, May, and August but not both, to avoid exceeding this limit.

### Time Limits

Credit earned more than seven years (six years for the D.Min. and five years for the Ed.S.) prior to completion of degree requirements may not be counted toward graduation.

Extensions beyond the time limit for a particular degree may be granted at the discretion of the Dean of Pensacola Theological Seminary or Academic Vice President. Students must make their request in writing and submit it to the Seminary-Graduate Studies Office stating the reasons for the extension and the expected date of degree completion. One extension of no more than two years may be permitted.

### ACADEMIC CALENDAR

#### Registration

To receive course credit, a student must meet all prerequisites and be registered for the course in the Records Office. Registration dates are listed on the Calendar of Events.

Students registering late must pay a Late Registration Fee.

## Plan for Learning

Pensacola Christian College offers a yearly program of instruction in which two semesters are divided by a five-week Interterm, a summer term, and one-week modules (p. 4).

## Credit Hour

One semester credit hour represents the equivalent of one hour of lecture or two hours of laboratory work each week. Class lecture or laboratory time combined with outside classwork or studying is expected to equal approximately three hours per credit each week. An equivalent amount of work is required for studio work, practicums, internships, and classes that do not meet on the semester schedule.

## CORRESPONDENCE AND DISTANCE LEARNING

Many Pensacola Theological Seminary and PCC Graduate Studies courses have been video recorded to allow students to learn from home while still receiving the same quality instruction as on-campus students. You must have final acceptance into the Seminary or PCC Graduate Studies prior to your first time registering for a course.

Correspondence and distance-learning courses are offered during the fall, spring, and summer terms, and up to three courses may be taken in one term. Register online at [pcci.edu/distance](http://pcci.edu/distance).

<i>Registration</i>	<i>Term (2014–2015)</i>
Aug. 1–30	Fall Sept. 1–Dec. 12
Jan. 2–18	Spring Jan. 19–May 1
Apr. 13–May 10	Summer May 11–Aug. 23

For Bible Exposition and Master of Ministry degrees, you may earn up to 24 credit hours online. The remaining 6 credits must be completed on campus. Other seminary and graduate degrees may allow you to earn one third or more of your degree through correspondence and distance learning.

## TRANSFER OF CREDIT

It is the policy of the College to consider for transfer, credits earned in an approved or accredited college or university. Courses that are acceptable for transfer must be similar in content to those replaced in the chosen major at PCC.

Up to 3 hours of graduate credit may be accepted in transfer for a master's or D.Min. degree (see page 31 for M.Div.). Up to 9 hours of doctoral credit in research, statistics, writing, or technology may be transferred for the Ed.S. or Ed.D. degree. Only courses with a grade of "A" or "B" are considered for transfer. Credit earned more than 10 years prior to completion of coursework may not be counted toward graduation requirements. Transfer credits are excluded from a student's grade point average.

Students who transfer credits from non-English-speaking countries are responsible to provide a certified translation of transcript and course descriptions. This certification may be made by (1) a commercial certifying organization or (2) an individual with appropriate credentials in the country where the student attended college. A copy of the transcript in the native language must accompany the certified translation.

Transcripts from non-English-speaking institutions must also be evaluated by Educational Credential Evaluators (ECE). Start your evaluation at [ece.org](http://ece.org). Choose the Course by Course evaluation and follow the steps required. PTS/PCC must receive the evaluation report before your file will be reviewed for final acceptance.

## Experience Credit

PCC does not grant graduate credit for work or life experience.

## COURSE CHANGES

### Additions

During the Drop/Add period each semester, a student may, upon obtaining approval from the Registrar, add a course to his schedule and register the change with the Records Office. A change of course fee will be charged.

### Drops

To drop a course without receiving a failing grade, a student must acquire the approval of the Registrar and register the change with the Records Office. For fall or spring, this must be done by the end of the first four weeks of the semester, or the course will show a grade of "WF." A change of course fee will be charged.

### Withdrawals

Anyone whose circumstances force him to withdraw from the Seminary or College must have a withdrawal form properly executed by the Academic Offices.

If the withdrawal is deemed honorable and all financial obligations have been met, the student's permanent record will show an honorable withdrawal and grades of "W." Unregistered withdrawals and other dishonorable withdrawals will show a dishonorable withdrawal and grades of "W."

A student may withdraw from a correspondence and distance-learning course at any time by submitting a written request to the Correspondence and Distance-Learning Office. A grade of "NG" will be issued for the course. Do not include withdrawal requests with the videos. Withdrawal requests must be sent separately. Tuition, fees, and costs of textbooks are nonrefundable and nontransferable. Your account will be credited \$100 if all videos are returned and received in good condition. PCC does not accept responsibility for lost or delayed mail or shipments.

### Irregular Scheduling

The Seminary and College cannot schedule courses for the convenience of

individual students who cannot or who do not take courses in their regular sequence.

### Course Cancellation

Any course with insufficient enrollment may be canceled.

## ATTENDANCE

All students taking a course, regardless of classification, are expected to attend all scheduled classes. Classes missed the day before and/or after holidays are counted as double absences.

During the fall or spring semesters, students missing more than a week of scheduled classes automatically lose one full letter grade; students missing more than two weeks receive "F" for the course unless otherwise exempted by the Administration.

## EXAMINATIONS

Students are expected to take all examinations on their assigned dates. If examinations are missed, as a rule, they may not be taken later. However, if the student gains the instructor's approval and pays the Late Exam Fee, he may make up an examination.

## GRADING SYSTEM

Grades are issued at midterm and after final examinations during fall and spring semesters. Midterm grades are not entered on the student's permanent record. For summer sessions and correspondence and distance-learning courses, grades are issued at the end of each course. For one-week modules, grades are issued after post-coursework is completed.

The following 4.00 grading system is for all students:

Grade	Grade Points Per Credit Hour
A	Excellent 4
B	Good 3
C	Passing 2
D	Unsatisfactory 1
F	Failure 0

For example, a student receives four grade points per credit hour for each “A.” Students may determine their grade point average by dividing the total number of grade points earned by the total number of credit hours attempted. (Students who have taken a course more than once should see Repeating a Course below.)

Other codes that may appear on the grade report and/or transcript are:

- I — Incomplete
- W — Withdrew
- WF — Withdrew failing
- WU — Withdrew auditing
- P — Passed
- AU — Audit
- NG — No grade
- CR — Credit

All “Incompletes” must be made up by midterm of the following semester.

### Repeating a Course

A student may repeat courses in which he did not earn a passing grade. All grades earned by a student become a part of his permanent record and will show on any transcript issued by the Seminary or College; however, when a course is repeated, the highest earned grade is used in computing the grade point average, and the credit hours are counted only once. A student’s grade point average will improve providing the repeated grade is higher than the previous grade.

No student may repeat a course more than twice. A student must secure the permission of the Registrar anytime he repeats a course. A course taken by video may not be repeated by video. Personal-benefit courses may not be taken a second time for credit toward a degree.

### SATISFACTORY ACADEMIC PROGRESS

- Maintain a 3.00 cumulative GPA in graduate studies (2.00 for M.Div. and M.Min.) to maintain *good academic standing*.

- A student who falls below a 3.00 cumulative GPA (2.00 for M.Div. and M.Min.) after completing 9 credit hours may be placed on *Academic Probation*.
- A student on Academic Probation must return to a 3.00 cumulative GPA (2.00 for M.Div. and M.Min.) after completing the next 9 credit hours in the program.
- A student who is unable to return to good academic standing after the next 9 credit hours may be subject to *Academic Dismissal*.
- Appeal for an extension of Academic Probation or Dismissal status must be made in writing to the Academic Vice President.

### ACADEMIC APPEALS

Any student has the opportunity to contest matters that affect academic standing. If necessary, the Academic Appeals Committee will review facts related to the case and make a final determination. The Academic Appeals Committee is composed of at least three members including deans, department chairs, and Academic Vice President. The College Office maintains case records in the student’s file.

### TRANSCRIPT OF RECORDS

Each student submitting a signed request will receive a copy of his permanent record at no charge. Additional copies sent to someone other than the student are also free of charge. The Records Office will not issue any transcripts of a student’s record for any student whose account is not paid in full.

### PRIVACY POLICY

Although Pensacola Christian College does not accept state or federal financial aid, the institution voluntarily abides by the general guidelines of the Family Educational Rights and Privacy Act of

1974 (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) as they apply to the release of educational records. This privacy policy is extended to all enrolled students, whether taking courses onsite or through correspondence and distance learning.

Dean of  
Pensacola Theological Seminary

## DIVISION OF **BIBLICAL STUDIES**

---

**THE PURPOSE OF THIS DIVISION** is to prepare Christian servant-leaders with a knowledge of the Bible, to develop their discernment to rightly divide the Word of Truth, and to equip them to take the gospel of Christ to the world.

The Pensacola Christian College **Bible department** offers the following graduate degrees via **Pensacola Theological Seminary**:

**Doctor of Ministry** 27

**Master of Divinity** 31

**Master of Arts** in Bible Exposition 38

**Master of Arts** in Biblical Languages 39

**Master of Ministry** 39

**Master of Church Music** 41

**Dr. Dan Rushing**  
Dean of Biblical Studies

## BIBLE DEPARTMENT

Dr. Dan Rushing, *Chair*

Pensacola Theological Seminary has a *biblicist* approach in its graduate Bible program in contrast to the pseudo-intellectual approaches of our day. In an attempt to be *academic*, many focus on teaching erroneous views of liberal theologians. The goal of our Bible program is not to fill our students' minds with doubts and questions raised by liberals, but rather to fill our students' souls with the Word of God itself. At PTS, *meditating on* God's Word and *ministering with* God's Word go hand in hand.

Service is the essence of ministry, and true leadership is impossible without a servant's heart. Pensacola Theological Seminary prepares servant-leaders to *share* the gospel **boldly**, *preach* the Word **clearly**, and *shepherd* the flock **faithfully**.

Many local churches have Christian day schools. Pastors seeking training to help them lead a church-school ministry more effectively may take courses in Christian school management.

### DOCTOR OF MINISTRY DEGREE [D.Min.]

---

**The purpose** of this degree is to provide advanced professional training for those who have been successfully engaged in ministry.

**Learning Outcomes:** Graduates of this program will be able to

- offer a credible defense of sound doctrine,
- integrate a greater understanding of Scripture into various ministry contexts,
- evaluate current issues affecting ministry in light of biblical teaching,
- demonstrate advanced integration of biblical and pastoral disciplines pertaining to ministry in the church, and
- prepare a major project to apply to his ministry context.

The class format of this program is one-week modules, which offer the convenience of limited time away from ministry as well as the practical integration of active ministry, academic endeavor, and disciplined reflection.

The Doctor of Ministry program prepares the student for a life as a Christian servant and leader. The program has a fourfold emphasis:

1. to complement the work of the student currently successfully engaged in ministry by exposing him to fresh ideas and lively interchange of ministry concepts with others in active service;
2. to provide high-quality training in practical application of his knowledge of the Word of God;
3. to give him a proper understanding of and appreciation for the Scriptures as the inerrant, infallible, and authoritative Word of God; and
4. to give him a proper understanding of himself in relation to Almighty God and God's Word as a redeemed sinner who has become a son. The graduate will be able to *"rightly divide the Word of Truth"* and make his knowledge productive in evangelizing the lost and edifying the saints.

### **Requirements for the D.Min.**

The successful doctoral student must be a mature and responsible individual, able to act on his own initiative. Doctoral programs are more flexible and varied than those leading to other graduate degrees and are designed to build upon the individual's previous academic preparation. All doctoral programs must be approved by the Seminary Doctoral Committee. A minimum of 30 credit hours beyond the M.Div. degree or its equivalent is required for the D.Min. degree, including 21 credits of courses with a DM prefix (which may include BI 538), 3 credits for BI 640, and 6 credits of research (DM 790).

### **Residence Requirements**

All D.Min. courses, except Research Study (major project), are taken in one-week modules offered in January, May, and August; and a few are available by correspondence and distance learning

and at other times to be determined. All D.Min. students must attend one full Sunday of services at Campus Church by their fourth module. A maximum of three modules (nine credit hours) can be completed each year unless permission is granted by the Seminary Committee. This schedule allows the student sufficient time for application of course material in his home ministry as well as sufficient time for the completion of pre-course and post-coursework.

Students must be registered for Continuing Major Project Services to be completed at the students' home residence when they are doing their independent research.

See one-week modules 2014–2015 (p. 43).

### **Plan of Study**

Students in the Doctor of Ministry program complete a minimum of 24 credit hours of coursework. At the completion of all required coursework or upon submission of the Topic Overview (whichever comes first), the D.Min. student must register for Continuing Major Project Services (equivalent to a minimum of 6 terms) continuously until the major project is successfully defended and presented ready for binding. Defense of the major project will be scheduled after the major project has been acknowledged by the Seminary Doctoral Committee and primary reader as worthy of the formal defense procedure.

All work, including the defense of the major project, must be completed within six consecutive years. The six years begin with the first course taken in the D.Min. program. For example, if a student takes his first course in May 2014, he must complete all his requirements by May 2020. Students who are unable to complete their degree in six years may request an extension, not to exceed a total of ten years to complete degree requirements.

Written and oral comprehensive examinations are not required for the Doctor of Ministry degree.

### Major Project

Every candidate for a doctoral degree is required to prepare and present a major project that is acceptable in form and content to the student's Doctoral Committee and the Seminary. The major project differs from the standard doctoral dissertation, which is generally more theoretical in nature. The project is more practical in orientation focusing on the application of knowledge to the individual's ministry. The student must register for Continuing Major Project Services until the project is completed, whether or not the student resides in Pensacola. If the final copy is not acceptable and not presented for binding within 30 days after the defense, a \$150 final copy extension fee will be charged for each additional 45 days.

All major projects and other projects prepared as part of the requirements for a seminary degree automatically become

the property of Pensacola Theological Seminary and may not be published or reproduced without the written consent of the College.

### Admission Requirements

In addition to the General Admission Requirements (p. 18), the student must have completed three years of vocational ministry experience. A significant portion should be after the completion of the M.Div. Please contact the Seminary-Graduate Studies Office for further details.

### Transfer of Credits

Up to three credit hours of work completed prior to beginning the D.Min. program will be considered for transfer. All other courses applied to D.Min. degree must be taken from Pensacola Theological Seminary.

### Candidacy

A Doctor of Ministry student is required to maintain a 3.00 grade point average (based on a 4.00 scale) while completing his seminary studies. A student will not be considered for candidacy for a D.Min.

degree until he has completed all his coursework and received the Seminary Doctoral Committee’s approval of his major project topic.

**Graduation Requirements**

The Doctor of Ministry degree is conferred on students who satisfactorily complete the following requirements.

1. Complete at least 30 credit hours, including all courses required for this program of study and 6 credit hours of major project research.
2. Earn a 3.00 grade point average (on a 4.00 scale) at Pensacola Theological Seminary and receive at least a “C” in all courses. (A student is permitted to repeat up to two courses in which he has already received a grade of “C” or above to improve his grade point average. With the approval of the Seminary Doctoral Committee, a student lacking grade points may take additional courses to make up the grade point deficiency.)
3. Complete the residence requirements at Pensacola Theological Seminary.

4. Successfully complete, defend, and present an acceptable major project.
5. Complete a Petition for Graduation form in the Records Office upon successful defense of major project. (Graduation fees are assessed based on stated anticipated graduation date.)
6. Settle all financial obligations to the Seminary.

All graduation requirements must be completed prior to participation in Commencement.

## MASTER OF DIVINITY DEGREE [M.Div.]

---

**The purpose** of this degree is to prepare men for active, full-time ministry through a distinctively Bible-centered curriculum.

**Learning Outcomes:** Graduates of this program will be able to

- offer a credible defense of sound doctrine,
- integrate a greater understanding of Scripture into various ministry contexts,
- evaluate current issues affecting ministry in light of biblical teaching,
- formulate a biblical philosophy of ministry based upon biblical methodology,
- present advanced biblical truth correctly and clearly by means of expository discourse, and
- integrate skills in the original language with their study of the Word of God.

This program is the keystone program of Pensacola Theological Seminary, preparing men to be servant-leaders who share the gospel boldly, preach the Word clearly, and shepherd the flock faithfully.

A strong foundation of Bible-content coursework is supplemented by training and additional tools to aid in the pastorate. This program aims at the student's acquisition of sound tools for studying the Scriptures with an emphasis on expository preaching. Comprehensive coverage coupled with technical skills is a hallmark of this curriculum.

Study for the Master of Divinity includes mastery of a field of knowledge combined with close attention to personal spiritual growth. A minimum of 96 credit hours beyond the bachelor's degree is required for the M.Div. degree.

### **Residence Requirements**

All work for the M.Div. degree must be completed within seven consecutive years. Residence work may be completed in six semesters with some modules or summer sessions required. Course load may be reduced by enrolling in one-week modules, summer sessions, correspondence and distance learning, or additional fall/spring semesters.

Up to one half of course requirements may be taken by correspondence and distance learning.

Minimum residence requirements can be completed with careful planning in two school years (fall/spring) with remaining courses taken through one-week modules, summer sessions, and by correspondence and distance learning.

### **Plan of Study**

The Master of Divinity program requires a minimum of 96 credit hours of coursework. Sixty-four credit hours must be completed at Pensacola Theological Seminary. During each semester in residence the applicant will enroll in a maximum of 16 credit hours of courses on campus. The student enrolls in one course each module or summer session. Three different tracks (pp. 34–36) accommodate a wide variety of undergraduate training. Track 1 is for students who completed an undergraduate degree in pastoral ministries or a related area including two years of college Greek. Track 2 is for students whose under-

graduate training included exposure to Bible-content courses but no biblical languages. Track 3 is for students called to the ministry after completing a liberal arts baccalaureate degree with no prior formal Bible training.

### Admission Requirements

See General Admission Requirements (p. 18). Master of Divinity students are not required to have majored in Bible on the undergraduate level. A liberal arts baccalaureate degree substantially similar to that of PCC undergraduates is required. Students not holding a standard baccalaureate degree should contact the Seminary-Graduate Studies Office for admission options.

### Advanced Standing

An incoming student may receive up to 24 hours of advanced standing. Advanced standing will be granted only for undergraduate courses with content comparable to those offered at Pensacola Theological Seminary and in which at least a “B” was earned.

### Transfer of Credits

Up to 32 hours of seminary credit may be transferred for the Master of Divinity program. Courses must have a grade of “A,” “B,” or “C” to be transferred. Determination of applicability of specific transfer courses to meet graduation requirements will be made by the Seminary-Graduate Studies Office. Credit earned more than 10 years prior to completion of degree requirements may not be counted toward graduation requirements. Transfer credits are excluded from a student’s grade point average.

### Class Standing

**Junior:** A junior is a student who has satisfied entrance requirements and who has completed fewer than 30 credit hours including approved transfer coursework.

**Middler:** A middler is a student who has completed at least 30 credit hours but fewer than 60 credit hours including approved transfer coursework.

**Senior:** A senior is a student who has completed at least 60 credit hours including approved transfer coursework.

### Candidacy

A Master of Divinity student is required to maintain a 2.00 grade point average (based on a 4.00 scale) while completing his seminary studies. Upon completion of 48 credit hours (including advanced standing) and two semesters in residence, the student will be evaluated for candidacy.

### Graduation Requirements

The Master of Divinity degree is conferred on students who satisfactorily complete the course of study outlined in the catalog and the following requirements.

1. Complete at least 96 credit hours, including all courses required for this program of study.
2. Earn a 2.00 grade point average (on a 4.00 scale) at Pensacola Theological Seminary and receive at least a “C” in all courses.
3. Complete residence requirements at Pensacola Theological Seminary.
4. Complete a Petition for Graduation form no later than registration for the first class of the summer of anticipated graduation or by the end of the drop/add period of the fall or spring semester of anticipated graduation. (Graduation fees are assessed based on stated anticipated graduation date.)
5. Settle all financial obligations to the Seminary.

All graduation requirements must be completed prior to participation in Commencement. If a student has completed the graduation requirements and is on campus, he must participate in Commencement.

## MASTER OF MINISTRY DEGREE [M.Min.]

---

**The purpose** of this degree is to strengthen those who are successfully engaged in ministry.

**Learning Outcomes:** Graduates of this program will be able to

- offer a credible defense of sound doctrine,
- integrate a greater understanding of Scripture into various ministry contexts,
- evaluate current issues affecting ministry in light of biblical teaching, and

- demonstrate through research and writing projects the ability to apply the Word of God practically in their area of ministry.

The class format of this program is one-week modules, which offer the convenience of limited time away from ministry with an immediate, hands-on application to the home ministry.

The Master of Ministry curriculum has three phases.

1. Bible content courses, one in Old Testament and one in New Testament, combined with BI 640 Doctrine and History of Preservation of the Text, provide the student with foundational concepts to strengthen his love for God's Word.
2. Master of Ministry courses, both practical and modular, provide the student with refreshing and revitalizing concepts that can be used effectively in current ministry.
3. Additional Seminary electives may be chosen to supplement M.Min. modules, allowing the student to gain advanced training in Bible content, theology, or pastoral training.

The flexibility this degree offers in its course requirements permits a student to tailor the requirements according to the needs of his ministry.

### **Residence Requirements**

The Master of Ministry degree must be completed within 7 consecutive years. All ministry courses may be completed in one-week modules offered in January, May, and August. Other seminary course requirements may be taken at the student's convenience during one-week modules, a summer session, the fall or spring semesters, or students may take a maximum of 8 courses by correspondence and distance learning. (All M.Min. students must also attend one full Sunday of services at Campus Church.) See specific courses offered (p. 43).

### **Admission Requirements**

In addition to General Admission Requirements (p. 18), students must have completed at least three years of ministry experience and are not required to have majored in undergraduate-level Bible.

### **Candidacy**

A Master of Ministry student must maintain a 2.00 grade point average (based on a 4.00 scale) while completing his seminary studies. A student may not consider himself a candidate for the M.Min. degree until he has completed a minimum of 9 hours with a 2.00 grade point average as a student at PTS.

**SUMMER COURSE OFFERINGS 2015** (dates on p. 4)**ONE-WEEK MODULES  
2014/2015**

Pensacola Theological Seminary realizes that not all applicants to the Seminary programs can remain away from their ministry for five to seven weeks during the summer. Therefore, one-week Seminary modules are offered on the campus of Pensacola Theological Seminary during January, May, and August. Assigned preparation must be completed prior to the classroom instruction, and post-module coursework is required. Therefore, all applications for the modules must be postmarked at least four weeks before classes begin. (In January,

applications must be postmarked by December 1 because of the holidays.) Recommended arrival is Sunday. All students must arrive in time for registration on Monday at 7:30 A.M. Attending consecutive modules and taking one correspondence and distance-learning course would allow a student to complete all coursework for the Master of Arts degree in Bible Exposition. All requirements must be completed within 7 consecutive years. M.Div. students may reduce semester work or shorten residence time with careful inclusion of one-week modules.

All requirements must be completed within 7 consecutive years.

Master of Ministry students may complete 10 one-week modules offered in January, May, and August to meet degree requirements. All requirements must be completed within 7 consecutive years.

A student seeking the Doctor of Ministry degree may complete all coursework by attending 8 one-week modules. The 6 semester hours of Research Study to be completed at the student's home residence is also required. All work, including the major project, must be completed

within 6 consecutive years. The 6 years begins with the first course taken in the doctoral program.

**Dr. Phyllis Rand, Chair**

The graduate programs offered by PCC's Education Department are scholarly in their academic approach and practical in their application to the local Christian school ministry. These programs are beneficial to those who do or do not have prior training in the field of education. The goal of each program is to provide proven tools that will be effective in

helping to further the cause of Christ in the field of Christian education. These programs are not designed to prepare students to teach in public schools.

The residence options are designed to meet the specific needs of a wide variety of students who serve the Lord in Christian education. Those options are shown with each program.

**EDUCATIONAL LEADERSHIP 53**

**CURRICULUM AND INSTRUCTION 54**

*with specializations in*

**Elementary 55    History 57    Secondary (General) 59**  
**English 56        Science 58**

#### Admission Requirements

See General Admission Requirements (p. 18). An applicant is not required to have majored in education on the undergraduate level. However, some curriculum and instruction specializations do have additional admission requirements.

Students may not earn both a master's degree and an Ed.S. or Ed.D. from PCC in the same specialization, except educational leadership. Those who completed a Master of Science degree in educational leadership and want to pursue a higher degree in the same area should contact the Seminary-Graduate Studies Office for adjustments to required courses.

#### Requirements for the Ed.D.

Doctoral study consists of the mastery of a field of knowledge and the successful pursuit of research. Requirements for the doctoral degree include a minimum of 60 credit hours beyond master's degree or 90 credit hours beyond bachelor's degree and doctoral research.

#### Residence Requirements

Each education doctoral student must complete a minimum of 48 credit hours of coursework. The courses are offered in summer sessions. (Up to 12 credit hours may be earned during the 7-week summer term.) Students must be registered for Continuing Dissertation Services to be completed at the student's

home residence when they are doing their independent research.

See specific courses offered Summer 2014 (p. 79).

### **Correspondence and Distance Learning**

Some course requirements may be completed through PCC's correspondence and distance-learning program with the remainder completed on campus. See Course Descriptions (pp. 93–109).

### **Plan of Study**

Students should plan to take the core courses early in their program. Within one year after completing all coursework, comprehensive examinations must be taken. At the completion of all required coursework or upon submission of the Dissertation Topic Overview (whichever comes first), the doctoral student must register for Continuing Dissertation Services (equivalent to a minimum of 6 terms) continuously until the dissertation is successfully defended and presented ready for binding. Defense of the dissertation will be scheduled after the dissertation has been acknowledged by the Doctoral Committee as worthy of the formal defense procedures.

All work including the final oral examination of the defense of the dissertation must be completed within 7 consecutive years. The 7 years begins with the first course taken in the doctoral program. For example, if the first course was taken Summer 2014, the student must complete all requirements by August 2021.

The Doctor of Education degree will be conferred upon only those of strong character, displaying qualities of leadership and evidencing a high degree of scholarship in their chosen fields.

### **Dissertation**

Every candidate for a doctoral degree is required to prepare and present a dissertation acceptable in form and content to

the student's Dissertation Committee and the Doctoral Committee. It is necessary that the work be of publishable quality. The dissertation must exhibit originality and thoroughness of research and must be an exhaustive treatment of the subject chosen. Matters of format, grammar, and mechanics must be approved by the college dissertation reviewer. Mere technical form is not enough; the material should reflect the high quality of research and knowledge expected of a doctor of education.

The student must register for Continuing Dissertation Services until the project is completed, whether or not the student resides in Pensacola. If the final copy is not acceptable and not presented for binding within 30 days after the defense, a \$150 Dissertation Final Copy Extension Fee will be charged for each additional 45 days. All dissertations and other projects prepared as part of the requirements for a graduate degree automatically become the property of Pensacola Christian College and may not be published or reproduced without the written consent of the College.

*with specializations in*

*Elementary* 63     *History* 65     *Secondary (General)* 67

### Admission Requirements

See General Admission Requirements (p. 18). An applicant is not required to have majored in education on the undergraduate level. However, some curriculum and instruction specializations do have additional admission requirements.

Students may not earn both a master's degree and an Ed.S. or Ed.D. from PCC in the same specialization, except educational leadership. Those who completed a Master of Science degree in educational leadership and want to pursue a higher degree in the same area should contact the Seminary-

Graduate Studies Office for adjustments to required courses.

### Requirements for the Ed.S.

The education specialist study consists of the mastery of a field of knowledge. A minimum of 36 credit hours beyond master's degree or 66 credit hours beyond bachelor's degree is required for the specialist degree.

All work must be completed within 5 consecutive years. The 5 years begins with the first course taken in the Education Specialist program. For example, if the first course was taken Summer 2014, the student must complete all requirements by August 2019.

## Education Specialist Comprehensive Examination

Candidates for the Ed.S. must pass a final subjective comprehensive examination. The examination is intended to provide evidence that the candidate has mastered the specialized knowledge required for the degree. The examination may be retaken only one time.

Comprehensive examination dates are set in advance and are posted online and in the Seminary-Graduate Studies Office.

Students must meet GPA requirements before taking the comprehensive examination. Only students who have applied for graduation and are completing their degree requirements in the current semester/class may apply to take the comprehensive examination. Further information regarding the Education Specialist Comprehensive Examination is available from the Seminary-Graduate Studies Office.

## Residence Requirements

Each education specialist student must complete a minimum of 36 credit hours of coursework. The courses are offered in summer sessions. (Up to 12 credit hours may be earned during the 7-week summer term.) See specific courses offered Summer 2014 (p. 79).

## Correspondence and Distance Learning

Some course requirements may be completed through PCC's correspondence and distance-learning program with the remainder completed on campus. See Course Descriptions, p. 93.

### Music Specialization

**Additional Learning Outcomes:** Graduates of the music specialization will also be able to

- identify forms and style characteristics in music literature,
- produce public performances showing graduate proficiency in music, and
- integrate current music technology and computer applications in arranging and composition.

This program is designed to provide the music educator with advanced training in education as well as in a specific music emphasis (choral conducting, instrumental, keyboard, vocal). The student receives exposure to literature in the chosen emphasis and training in selected periods of music history.

#### Admission Requirements

See M.S. Admission Requirements (p. 68). Graduate applicants must have majored in music on the undergraduate level. Music applicants must audition in person. Those who live beyond 400 miles from Pensacola may submit a high-quality video recording.

Entrance examinations in music history and music theory (sight singing, dictation, part writing, harmonic and formal analysis) are required. Applicants who do not earn a satisfactory score on an exam must take a review course in the appropriate area with no graduate credit.

#### Music Emphasis

All music graduate students must demonstrate basic keyboard skill before completing the degree program. Students may either take the secondary piano examination or opt for one year of piano.

One credit hour of private music instruction in the student's emphasis is required each semester. Music instruction is available in voice, keyboard, strings, brass, woodwind, percussion, and choral conducting. MU 646 Graduate Recital includes private music instruction. Ensemble credit includes Chamber Ensemble, Orchestra, or Accompaniment Practicum.

#### Progress Evaluation

A student must realize that continuation in his graduate program is dependent upon an ongoing evaluation of the student's abilities. A student may be removed at any time from his program if in the opinion of the faculty/administration the student fails to perform satisfactorily or improve sufficiently in the appropriate skill, regardless of the student's academic average in the program.

A student earning a "C" or lower in any private lesson may be required to repeat that course. A student cannot repeat a private lesson more than one time. Upon the student's earning a "C" or lower in another private lesson, the Graduate Committee reviews the student's status to determine if he can continue in his graduate program.

### Speech Specialization

**Additional Learning Outcomes:** Graduates of the speech specialization will also be able to

- advocate a biblical view of dramatic performance and production,
- communicate narrative elements reflecting emotional sensitivity, and
- direct and stage productions that are aesthetically pleasing.

#### Admission Requirements

removed at any time from his program if in the opinion of the faculty/administration the student fails to perform satisfactorily or improve sufficiently in the appropriate skill, regardless of the student's academic average in the program.

A student earning a "C" or lower in any private lesson/practicum may be required to repeat that course. A student cannot repeat a private lesson/practicum more than one time. Upon the student's earning a "C" or lower in another private lesson/practicum, the Graduate Committee reviews the student's status to determine if he can continue in his graduate program.

**Important note regarding when courses are offered:** Term notations of *Summer*, *Pre-term*, *Fall*, *Interterm*, *Spring*, or *Post-term* mean that the course is offered during that term every year. When a term notation is followed by *odd* or *even*, then the course is offered during that term only in *odd* or *even* years, respectively. For example, a course that meets *Summer*, *Fall odd* will meet every summer (e.g., 2014, 2015), but only during the fall semester of odd years (e.g., 2015, *not* 2014). A course that meets *Summer even*, *Spring odd* will meet summer 2014, 2016 and spring 2015, 2017.

Courses that do not have a term notation are not offered on a set rotation. “DL” means the course is available through *correspondence and distance learning*.

The number of semester credit hours for a course is shown in parentheses following the title.

# CAMPUS FACILITIES

PCC's campus blends modern facilities with traditional values. Since its inception in 1974, the campus has developed steadily and now contains more than 20 major buildings on 149 acres. The facilities include approximately 2,800,000 square feet of public buildings, including residence halls, in addition to over 410,000 square feet of ancillary facilities.

The **Crowne Centre**—a 298,000-square-foot, 5,762-seat **multipurpose auditorium**—stands on Main Drive near

the front entrance of campus. Used for college chapel, Campus Church services, and other occasions, the auditorium combines excellence in aesthetics and technology. An 18-by-24-foot magnification screen above the pulpit allows those seated in back or in the balcony to better see the speakers and events on the platform. A 2-story, 100-foot revolving stage platform gives flexibility in scheduling back-to-back events. The building also houses spacious orchestra and choir rehearsal areas, two 200-seat wedding chapels with hospitality rooms, and one stand-alone hospitality room.

**Dale Horton Auditorium** is one of the largest performing arts auditoriums in the Southeast with a seating capacity of 3,500. It is named in honor of Jesse Dale Horton, father of PCC's founder. The circular lobby wall is covered with a 250,000-pound California clay

mural, depicting biblical events from Creation to the Second Coming of Christ. Seating in the auditorium was originally designed for the Lincoln Center in Washington, D.C.

**MacKenzie Building** is a 196,000-square-foot, multipurpose educational facility

with classrooms for English, speech, and history. It also contains specialized laboratories for

nursing and engineering departments and chemistry courses, as well as faculty offices and resource and conference rooms. The first floor contains the Campus Church nursery as well as a large lecture hall that can be divided into four separate lecture halls, each seating approximately 225. Special features of the building include four custom-designed glass elevators, a 6-story atrium, and roof-top observation deck. Crowning the top floor of the structure is a planetarium, which seats 100.

The **Visual and Performing Arts** building adjoins the Dale Horton Auditorium. It provides facilities for teaching,

practicing, and performing for music, speech, and art courses. Special features include a 140-seat Recital Hall, Experimental Theater, electronic piano lab, and art gallery. Music facilities include teaching studios for piano and voice; soundproof practice studios; and band, orchestra, and choral rooms. Art facilities include classrooms for drawing, painting, and graphic arts; state-of-the-art computer labs; and 3 exhibit areas to display student and faculty work. Video facilities handle the production of the weekly *Rejoice in the Lord* national telecast. Fully automated WPCS radio station is home of *Rejoice Broadcast Network*.

The four-story **Administration Building** consists of College, Business, and Executive Offices; Information Desk; and Greeting Center for campus guests.

The **Academic Center**, located in the rear of the Administration Building, has approximately 176,000 square feet of floor space on six floors. Four computer

labs are available for general student use when not used for business classes. Four education labs and one media room are

used by education majors to practice their teaching and to prepare visuals. Two labs are equipped with interactive white boards with the latest technology to support lessons. These labs, as well as other classrooms, are equipped with computer projection systems for instruction and group presentations. The family/consumer sciences area features culinary arts and sewing labs. The natural sciences department is equipped with modern laboratories for physics and biology. Faculty offices, classrooms, and a 264-seat Lyceum are all housed here. In addition, a Multimedia Auditorium provides daily viewings of promotional presentations for campus guests.

The **Rebekah Horton Library** is housed in a 6-story complex with more than 105,000 square feet, designed to hold a collection of up to a half-million volumes.

With seating space for more than 1,000, this facility provides open stacks, study carrels, an audiovisual lab, spacious study areas, conference rooms, and wireless Internet access.

The PALM computerized card catalog system allows students and faculty to locate research materials with speed and simplicity. Present library collections include over 320,000 volumes, plus more than 500 current periodicals. Online databases provide access to more than 3,000 additional periodicals and journals plus a wealth of other academic electronic resources. Interlibrary loan service is also available through OCLC

(Online Computer Library Center) database, providing access through a bibliographic retrieval system to more than 290,000,000 resources worldwide held by 72,000 academic and public libraries in the United States, Canada, and several foreign countries.

The library also exhibits historical and educational materials in an old-fashioned classroom setting. The Bible Manuscript Collection contains rare Bibles and other materials that give evidence of Bible preservation through the centuries. The collection holds early editions of the English Bible, Old Testament scrolls, and famous Bible reference works.

The **Commons**, the student “living room” within an 88,000-square-foot complex, provides the ideal setting for student relaxation with two floors of com-

fortable seating, wireless Internet, and a coffee bar with pastries and beverages. Mailboxes, vending and

ATM machines, copy/printing services, and a multipurpose campus store provide convenient student services. The Palms Grille features a unique Tuscan atmosphere and casual dining menu, and offers room service to residence halls.

The **Arlin R. Horton Sports Center**, with more than 216,000 square feet, provides modern athletic, sports, and recreational facilities for students and staff. It features one of the largest rock climbing walls in the country r e a c h i n g 40 and 60

feet high, 22-and 32-foot rappelling ledges, and a 12-foot climbing boulder. Another popular feature is the indoor water park with 3 water slides and Double FlowRider® surfing wave.

The complex also contains ice-skating and inline skating rinks, a 12-lane bowling alley, racquetball courts, 9-hole miniature golf course, table tennis, weight and fitness rooms, 4-lane jogging track, a sundeck for women, and two snack counters. The main sports arena of more than 3,100 seats is home to the intercollegiate *Eagles* basketball and *Lady Eagles* volleyball and basketball teams.

The **Field House** provides facilities for physical education courses and recreational purposes, including professionally equipped weightlifting and gymnastics rooms. A lighted outdoor recreational complex includes soccer fields, 8-lane running track, basketball courts, and tennis courts.

The **Campanile**, an open 6-story tower, is roofed in copper and mounted by an iron spiral staircase. It houses the carillon,

a set of 43 cup-shaped bronze bells that produce lovely sounds. The bells are controlled by a keyboard in the music suite of the Visual and Per-

forming Arts building. The carillon was cast in Europe and chromatically tuned in the United States. The regular pealing of the carillon serves as a continual reminder to “redeem the time.”

**Residence halls** for men (**Ballard** and **Coberly Halls** and **Young Tower**) and for women (**Griffith**, **Dixon**, and **Bradley Towers**) are “homes away from home.” They are air-conditioned, carpeted throughout, and include a private bath with every room or suite.

**Four Winds** and **Varsity** dining rooms provide *food-court-style* dining facilities with more than 2,300 total seats. In the self-contained kitchens, thousands of nutritious meals are prepared each day. Students

give high marks to PCC’s food service for its quality, variety, and quantity. Innovation and

creativity are vital ingredients of the food-service program, which features complete menus including continental and cooked breakfast foods, entrée lines, international foods, pizza, deli, chicken tenders, salad bar, baked potatoes and toppings, and fresh fruit. Homemade breads are prepared daily in the campus bakery. Additional private dining rooms are also available for banquets and other special functions.

**Swim Center** provides a variety of water sports with six regulation-size swim lanes and a three-board diving area. Collegiate teams compete here in fast-paced water polo. In addition, main campus is less than 30 minutes from the 265 acres of waterfront property known as **West Campus** on Perdido Bay. This popular location is the home of 24 Hobie catamarans. Classes are offered in sailing, kayaking, swimming, and lifeguarding.

The **Campus House**, directly adjacent to the campus, provides guest lodging for the friends of the ministries of PCC. Its 28 guest rooms provide king, queen, or suite accommodations 365 days a year. The Campus House is just minutes from the airport and restaurants and 20 minutes from Pensacola’s white sand beaches.

The **Graf Clinic**, a 3,045-square-foot facility located between Coberly and Bradley Tower, serves the health needs of all PCC students. It is a walk-in clinic where students can see a medical doctor or nurse practitioner without having to make off-campus appointments. The clinic is operated by Baptist Health Care of Pensacola.

Attendance at Pensacola Theological Seminary and Pensacola Christian College (PTS/PCC) is a privilege and not a right. Students forfeit this privilege if they do not conform to the standards and ideals of work and life of PTS/PCC, and PTS/PCC may insist on the withdrawal of a student at any time that the student, in the opinion of PTS/PCC, does not conform to the spirit of the ministry.

This catalog contains current information regarding the calendar, admissions, degree requirements, fees, regulations, and course offerings. PTS/PCC reserves the right to withdraw a course or program of study at any time; change tuition, room and board, and other fees; change the calendar and rules regarding admission and graduation requirements; and change any other regulations affecting the student body. Changes shall become effective whenever necessary and apply not only to prospective students but also to those who at that time are matriculated in PTS/PCC. PCC has been awarded Accredited Status from the Transnational Association of Christian Colleges and Schools. It is the practice of PTS/PCC and other colleges and universities to accept or reject credits based on their own institutional criteria regardless of whether or not that particular school transferring credit is accredited. PTS/PCC desires that each enrolling student complete his degree program with this institution; however, if a student wishes to transfer to another institution at any time, it is the student's responsibility to confirm whether or not credits will be accepted by another institution of the student's choice. PTS/PCC has attained a high reputation for excellence in the academic disciplines and has found that a student's personal academic performance and achievement are important in seeking transfer to another institution or admission to graduate school. Recognition of academic credit for graduate students in other institutions has seldom been an insurmountable problem. While PTS/PCC makes no representation that its graduates will be accepted by specific institutions, boards, professional bodies, or government agencies, it is the intent of the administration and faculty to meet and exceed standards of quality in academics, which are posed by recognized accrediting associations.

Pensacola Theological Seminary and Pensacola Christian College offer access to their educational programs and activities based upon biblical standards and applicable laws that permit their right to act in furtherance of their religious objective. The College does not discriminate on the basis of race, color, sex, or national origin in administration of its educational policies, admission policies, and scholarship or loan programs.
