General Information

The Record

Pensacola Christian College was an idea that came from God. This idea became a reality in 1974 when 100 students arrived at PCC's one building. Students now represent every state and approximately 50 foreign countries. PCC offers a wide variety of programs in some of the finest college facilities in America. Although PCC has grown, excellence in education and commitment to the Lord remain the core of the College's balanced program.

Pensacola Theological Seminary was founded in 1998 when PCC saw the need to expand its practical, Bible-centered approach to ministerial training. The goal of the Seminary is to fill each student's mind and heart with what the Bible says. The purpose of the Seminary is to prepare servant-leaders to share the gospel boldly, preach the Word clearly, and shepherd the flock faithfully.

Ministries of PCC

Rejoice Radio reaches our campus, community, nation, and world for the Lord. You can listen to *Rejoice Radio* on WPCS (89.5 FM), online at Rejoice.org, smartphone app, or over 40 stations around the country. Rejoice in the Lord, the weekly telecast of Campus Church services, features inspirational music and heartwarming Bible messages on television stations across the nation and around the world by Internet.

Affiliates of PCC

Abeka Academy Video Streaming or DVD enrolls thousands of homeschoolers annually. More than 9,000 students in Christian schools across the nation receive instruction from the master teachers of Pensacola Christian Academy via video.

Abeka produces daily curriculums and more than 1,000 character-building textbooks and teaching materials. More than 10,000 Christian schools across America use Abeka textbooks. Abeka also hosts annual clinics and seminars, giving practical helps for Christian schools.

Joyful Life Bible study and Sunday school materials are used by hundreds of churches for their toddler through adult classes.

Pensacola Christian Academy is one of the largest independent schools of its kind in the nation. PCA operates from a single 240,000-square-foot complex that houses grades K-12.

Campus Church

This local church meets on the college campus, partnering with PCC to minister to the college community and Pensacola area residents through sound biblical preaching, uplifting music, evangelistic opportunities, and support of worldwide missions.

Mission and Purpose

Pensacola Christian College was founded in 1974 under the leadership of Arlin and Beka Horton. God called this institution into existence for His glory. The goal was to train young men and women in higher education for a life of service to Jesus Christ. The founders' vision for PCC continues to the present.

Our **mission** is to promote the cause of Christ by providing a distinctively Christian-traditional, liberal arts education that develops students spiritually, intellectually, morally, culturally, and socially.

Our **purpose** in both undergraduate and graduate programs is to produce Christian leaders who are knowledgeable, articulate, moral, dedicated to excellence, and committed to serving Jesus Christ as they learn to influence the world by applying biblical principles in their chosen field and daily life.

Articles of Faith

- We believe that the Bible is the verbally inspired and infallible, authoritative Word of God and that God gave the words of Scripture by inspiration without error in the original autographs (*2 Tim. 3:16-17, 2 Peter 1:21*). God promises that He will preserve His Word; Jesus said, "*My words shall not pass away*" (*Matt. 24:35*). We believe that God has kept that promise by preserving His infallible Word in the traditional Hebrew and Greek manuscripts and that the Authorized Version (KJV) is an accurate English translation of the preserved Word of God.
- We believe that there is one triune God, eternally existent in the persons of Father, Son (Jesus Christ), and Holy Spirit; these three are one in essence, but distinct in person and function (*Matt. 28:19, 1 John 5:7-8*).
- We believe that Jesus Christ, the Second Person of the Trinity, became for mankind the physical manifestation of the Godhead (*John 1:14, 14:9; Col. 1:19*). The earthly genealogy of Jesus may be traced through Joseph's line to Abraham (*Matt. 1:1-16*) and through Mary's line to Adam (*Luke 3:23-38*). We believe in His virgin birth, sinless life, miracles, vicarious and atoning death through His shed blood, and His bodily resurrection.
- We believe in the burial, bodily Resurrection of Jesus Christ from the tomb, and His ascension into Heaven (*Mark 16:6, 19; 1 Cor. 15:1-4*).
- We affirm that the Holy Spirit is the Third Person of the Trinity, the Agent of conviction, regeneration, indwelling, baptism, sanctification, and illumination of all who are born into God's family through Jesus Christ (*John 3:5-6, Eph. 1:13-14*). We are opposed to the charismatic movement and its sign manifestations, such as speaking in tongues.
- We believe that God created the heavens and the earth in six literal days, and that God created all life (*Gen. 1*). We reject the man-made theory of evolution occurring over millions of years and believe that the earth is approximately 6,000 years old (*Gen. 5, 11*). We believe that God created man in His own image, but man chose to sin. Hence, all persons inherit a depraved nature and are lost sinners in need of salvation (*Romans 3:10, 23*).

- We believe that God created man and woman in His image and instituted marriage between one who is genetically male and one who is genetically female (*Gen. 2:18–24*). Marriage is a sacred, exclusive union between a man and woman and serves as a picture of Christ's relationship with the church (*Matt. 19:3–12, Eph. 5:22–23*). We believe that God has commanded that sexual activity be exclusively reserved to a man and a woman who are legally married to each other; and that Scripture forbids any form of sexual immorality including adultery, fornication, homosexuality, bestiality, incest, and use of pornography (*Matt. 5:27–28, 15:18–20; 1 Cor. 6:9–11 & 18, 7:1–5, Heb. 13:4*).
- We believe that Christ's blood, shed on Calvary, is the only Atonement for man's sin (*John 14:6, 1 Pet. 1:18–19, 1 John 1:9*). We believe that salvation is a free gift of God for "whosoever will"; it is by grace, through faith, plus nothing, and believers are eternally secure (*John 10:27–28, Eph. 2:8–10*). Salvation is received only by personal faith in the Lord Jesus Christ and His finished work. "Whosoever will" may come to Christ; God does not pre-elect persons to heaven or hell (*Rom. 10:13, Rev. 22:17*).
- We believe in the spiritual unity of the body of Christ, called the Church. It is composed of all born-again believers who have by faith accepted Jesus Christ as Savior (*Eph. 2:8–22, 3:1–21, 4:4–16, 5:23–32*). God has ordained the local church for the perpetuation of His truth and work in the world (*1 Tim. 3:15*). The two ordinances of the local church are baptism by immersion and a regular observance of the Lord's Supper by believers (*Matt. 28:19, 1 Cor. 11:23–28*).
- We believe the Scripture regarding Satan, who rebelled against God and was cast out of heaven with a host of angels who followed him (*Isa. 14:13–15*). He introduced sin to Adam and Eve in the garden of Eden (*Gen. 3:1–13*). He continues to turn people from truth and against God (*1 Pet. 5:8*). Eternal hell was created for Satan, his demons, and people who do not believe in the Lord Jesus Christ for salvation (*Matt. 25:41, John 3:16, Rev. 20:15*).
- We believe that the believer is called to a life of consecration which requires increasing in the knowledge of Christ and growing in grace (*John 15:4–5, Col. 1:10, 2 Pet. 3:18*).
- We believe that the will of God for all believers is to give evidence of sanctification through being honorable in all relations with others (*Rom. 12:1–2, 1 Thess. 4:3, James 1:27*).
- We believe in the resurrection of both the saved and the lost: those that are saved unto the resurrection of eternal life in heaven, and those that are lost unto the resurrection of eternal damnation in a literal lake of fire (*John 5:28–29; 1 Cor. 15:12–20, 35–58; Rev. 20:10, 15*).
- We believe in the imminent, pre-Tribulation return of Jesus Christ for all believers (*1 Thess. 4:13–17*). The Rapture of the saints will be followed by a seven-year Tribulation, after which Christ will return in glory to judge the world and set up His millennial reign on earth (*Rev. 20:1–3, 21:1–5*).

These Articles of Faith do not exhaust the extent of beliefs or practices of Pensacola Christian College. The Bible, as the inspired and infallible Word of God, is the final authority of all that we believe concerning truth, morality, and the proper conduct of mankind. For the purposes of the College's doctrine, practice, policy, and discipline, the Board of Directors is ultimately responsible for interpreting the meaning and application of Scripture.

Without meaning to be unfriendly or unkind, we feel it only fair to say that Pensacola Christian is not a part of the "tongues movement" and does not allow students to participate in or promote any charismatic activities, nor do we permit students to promote hyper-Calvinism.

Pensacola Christian College is committed to the plenary, verbal inspiration of the Bible, and it is our practice to use only the Authorized Version (KJV) in the pulpit and in classroom instruction. We believe the Textus Receptus is a superior text, and it is used for Greek instruction.

The College serves a constituency of churches across America that is primarily independent Baptist. Faculty, staff, and students attend Campus Church, which operates on campus as an independent Baptist church in both faith and practice.

Philosophy of Education

Pensacola Christian College maintains a Christian-traditional philosophy of education in contrast to humanistic, progressive systems of education. This philosophy is based on the Word of God and is rooted in objective reality and absolutes, as opposed to relativism. The Christian-traditional philosophy provides students the programs and methods of studies that impart Christian character development, communication skills, and subject matter in harmony with the inspired Word of God, which is *"profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works"* (2 Tim. 3:16–17).

We believe that the content of Christian education must be in harmony with *"whatsoever things are true, . . . honest, . . . just, . . . pure, . . . lovely, . . . [and] . . . of good report"* (Phil. 4:8). We believe that classroom methods should be faculty-directed (Deut. 6:7), with content building from known to unknown (Isa. 28:10) and the student acquiring knowledge through studying (2 Tim. 2:15, Prov. 2:3–5), researching (Prov. 25:2), reasoning (Rom. 12:2, 1 Thess. 5:21, 1 Jn. 4:1), explaining, and relating.

A Christian-traditional philosophy of education reflects the true view of God and man provided in Scripture. God is an orderly Personality (1 Cor. 14:40). He created man and the universe and is the Author of order, reason, and reality that are reflected in the universe (Jn. 1:3, Rom. 1:19–20). All truth is God's truth (Dan. 2:21, Ps. 119:104–105, Col. 2:3).

Christian education must deal with the social and the spiritual, as well as the academic, dimensions of the student. Academic programs of Pensacola Christian College are only a part of the educational process of college life. The essence of a disciple of Christ is self-denial (Titus 2:12) and self-discipline. The chapel platform and Campus Church pulpit are vital in the Christian training program. Classroom

instruction supports and reinforces that training. Students are taught the Christian philosophy of life so that they are armed *"lest any man spoil [them] through philosophy and vain deceit"* (Col. 2:8).

Through Christian education, the student must be brought to *"unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ"* (Eph. 4:13). The graduate is then able to be an effective witness for Christ and is academically equipped in a free society to manifest the fruit of the Spirit in daily life.

Values and Standards

Pensacola Christian College is committed to excellence as a Christian educational institution which glorifies Christ as the source of all wisdom and knowledge, and which educates students based on biblical values. The administration, faculty, and staff are dedicated to empowering Christian leaders to influence the world for Christ. Having a sense of the need for an environment conducive to spiritual growth has led Pensacola Christian College to adopt standards consistent with values that promote the spiritual welfare of all students. Each member of the college community must conduct himself according to moral and ethical principles found in Scripture.

Accreditation and Authorization

Pensacola Christian College is a member of the Transnational Association of Christian Colleges and Schools (TRACS) [15935 Forest Road, Forest, VA 24551; Telephone: 434-525-9539; email: info@tracs.org] having been awarded Reaffirmation I of its Accredited Status as a Category IV institution by the TRACS Accreditation Commission on April 24, 2018. This status is effective for a period of ten years. TRACS is recognized by the United States Department of Education (USDOE), the Council for Higher Education Accreditation (CHEA), and the International Network for Quality Assurance Agencies in Higher Education (INQAAHE).

The master's degree in nursing at Pensacola Christian College is accredited by the Commission on Collegiate Nursing Education (www.ccneaccreditation.org).

PCC meets the criteria of Section 1005.06(1)(e), Florida Statutes, holding a status of not requiring licensure from the Florida Commission for Independent Education.

College Life

Spiritual Growth and Development

Chapel Services: College chapel meets four times each week and Seminary chapel once a week. Each year, outstanding evangelists, pastors, and missionaries preach in chapel.

Campus Church: The center of spiritual vibrancy is the warm local church atmosphere of Campus Church, which operates on campus as an independent Baptist church. The pastor and other church staff acquaint students with the workings of a separated, Bible-believing church and encourage them in their worship and service for the Lord.

Faculty, staff, and their families—as well as many local townspeople—join the college students in Sunday morning and evening and Wednesday evening services. College students who have moved to the area to attend PCC are not considered permanent residents and are therefore expected to attend all the services of Campus Church.

Living Facilities

For summer or one-week modules, residence hall accommodations are available for single or married students. Spouses are also welcome to stay if space is available and only pay room and board per session. Children are not permitted to stay in the residence halls. During the fall and spring semesters, residence hall accommodations are only available for single students.

Residence hall rooms are single occupancy for the summer but may have multiple occupants during the fall and spring semesters. Your room will have either a private or adjoining bathroom, standard twin-size beds, closet and dresser space, a mini-fridge, a desk, chairs, and shelving. Linens or pillows are not provided.

Career Services

Career Services assists students by preparing them for the job search, connecting them with internship opportunities, offering professional mentorship, and helping them find employment after graduation. This is done through our Career Services platform, on-campus recruiting, the Alumni Association, and several recruiting events hosted in the fall and spring semesters. Students can also make appointments to meet with a Career Services advisor for résumé review and interview preparation. The Career Services platform provides a number of tools and resources that are available to current PCC students and alumni.

Standards of Conduct

Biblical Principles

The Bible is the final authority for all things and the means by which God provides principles for living in a way that protects from harmful thinking and behavior. Scripture clearly teaches how Christians are to live. In light of the wonderful gift of salvation, we are to live our lives in active pursuit of a lifestyle that keeps us pure and clean before God with careful attention to avoiding anything that detracts from our relationship with Christ (*Titus 2:11-14, Rom. 12:1-2, Phil. 4:8*).

In light of these principles, PCC has adopted standards to promote an environment that is conducive to academic, social, and spiritual growth. Where the Bible directly addresses a matter, standards are set accordingly. However, since God's Word does not mention every aspect of college life, biblical principles are followed and conservative expectations have been established to encourage right Christian living.

Additional information regarding expected behavior and prohibited activities can be found in the [Graduate Student Handbook](#). Prospective students are welcome to call the Seminary-Graduate Studies Office for answers to specific questions regarding student life (1-877-PTS-GRAD [1-877-787-4723]) or to plan a visit.

Appeals and Grievances

Students have the right to expect the College to uphold its policies and to administer them accurately and equitably. If a student wishes to contest an academic or disciplinary decision, he may file an appeal or grievance without fear of retaliation or recrimination.

Academic Appeals

Any student has the opportunity to contest matters that affect academic standing. If necessary, an Academic Appeals Committee will review facts related to the case and make a final determination. An Academic Appeals Committee is composed of at least three members including deans, department chairs, and Academic Vice President. The College Office maintains case records in the student's file.

Disciplinary Appeals

Any student has the opportunity to appeal matters that affect student conduct violations. If necessary, students may submit a written appeal to the Dean of Graduate Students within two weeks. The Appeal Committee is composed of a student, a faculty representative, and the Dean of Graduate Students. The College Office maintains case records in the student's file.

Grievances

It is the intent of the ministry to treat all students equitably according to established College policies. Each student has the opportunity to file a grievance. Accordingly, this grievance procedure is designed to inform appropriate people when problems develop so that due process is followed and satisfactory solutions can be reached.

A grievance is defined as any situation or action personally affecting a student that was a result of a violation, mishandling, or misapplication of any specific provision stated in policy, rule, statute, or regulation of the college. Requests for reconsideration of decisions that affect a student's status in keeping with standing policies are not grievances and should be handled through the appeals process.

Grievances should be resolved at the lowest level possible. Most matters of student concern can be resolved informally and would not result in a formal grievance being filed. A student is expected to first discuss the problem with the direct supervisor of the given area and allow a reasonable opportunity for the problem to be resolved. Having done that without satisfactory results, it would then be appropriate to proceed with the grievance report procedure, if the student desires, without fear of retribution.

The student may obtain a Student Grievance Report from the Student Care Office. The student will return the form explaining the problem to the Student Care Office within two weeks of the occurrence in question. Failure by the student to comply with this time limit will constitute a waiver of the grievance. The committee will meet with the student and a response will be given within two weeks of the grievance being submitted, with the exception of winter and summer breaks. The Student Care Office maintains all records regarding grievances.

Inquiries regarding compliance with accreditation policies and standards may be directed to TRACS [15935 Forest Road, Forest, VA 24551; Telephone: 434-525-9539; Email: info@tracs.org].

The only exception is full-time Christian workers' summer payment plan (see below).

The summer payment plan is available to seminary and graduate students who work full time in a Christian ministry, who are not planning to attend the Seminary or College year round, and who register for nine or more credits during the summer semester (this does not include May or August one-week modules). All fees and one half the cost of tuition, room and board are to be paid at registration. The balance of the tuition and room and board is to be paid in four equal payments on the dates listed on p. 13.

Online Learning

The payment plan for online courses is available to all seminary and graduate students, including international students.

Financial Aid

PTS and PCC maintain charges that are among the lowest in the nation; thus in effect, every student enrolled at PTS or PCC receives an automatic financial benefit of several thousand dollars.

Sallie Mae Graduate Loans

Sallie Mae offers private loans to PCC graduate students. With the Graduate School Loan, Sallie Mae Graduate School Loan for Health Professions, or Sallie Mae MBA Loan, you can receive funds that cover full tuition, room and board, and fees. These loans offer fixed, deferred, and interest repayment options, so your main focus can be on earning your degree. For more information or to apply for Sallie Mae loans, visit salliemae.com (using the Institutional ID 609527-00) or call 1-877-279-7172.

Abeka Fund

Abeka Fund provides loans to qualified students who need help in financing their seminary education at PTS or graduate education at PCC. Students attending year-round (fall/spring) are eligible to apply for Abeka Fund loans upon completion of 9 credit hours. Students who meet Abeka Fund loan requirements may be permitted to borrow up to \$2,500 per year for up to four years. For additional information, email studentloans@abekafund.com or call 850-478-8496, ext. 2082.

Private Scholarships

A few privately funded scholarships are available specifically for current seminary and graduate students. For details concerning these scholarships, visit pcci.edu/Gradscholarships or contact the Scholarship Office at scholarships@abekafund.com.

In addition, students are encouraged to research and apply for other sources of private scholarship aid online.

Health Services

Teladoc provides students 24/7 on-demand access to board-certified doctors for nonemergency conditions. In addition, the on-campus Graf Clinic, which is independently operated and staffed by the Baptist Medical Group of Pensacola, provides primary outpatient medical care. Resident and nonresident students needing to see the medical doctor may do so at a fee of \$20 per visit. Fees incurred for on-campus labs, diagnostic testing, and pharmaceuticals are applied to the student's account at the time of service. After-hours health needs and serious illnesses or injuries are referred to off-campus medical facilities associated with one of three area hospitals.

PCC does not accept responsibility for illness or accident on or off campus and does not accept financial responsibility or provide insurance for students needing emergency medical care, hospitalization, or off-campus medical attention. Students are responsible either to provide their own health insurance coverage or to pay the cost themselves. Students use school facilities at their own risk.

International Students

All international students enrolled in the fall, spring, and summer terms are required to pay the \$100 International Student Processing Fee. This fee is used to pay for specialized services used by and for international students, such as visa processing and compliance reporting required by the Federal Government.

All payments must be in U.S. currency. International students' accounts will be charged any handling fees assessed by a foreign bank (e.g., transfer funds, etc.). Each semester must be paid in advance.

Pensacola Christian College does not provide financial assistance for international students. Under normal circumstances, the United States Citizenship and Immigration Service will not permit international students to be employed in the United States off campus to meet their financial obligations. Therefore, international students should not depend on obtaining part-time employment to meet their educational expenses. International students should carefully assess their financial resources before finalizing their plans.

If the international student is not granted admission, the tuition, room and board, and transportation payments (p. 17) are refundable. United States immigration regulations mandate that no international students should travel to this country without receiving their official letter of acceptance, Form I-20, and F-1 (student) visa.

Withdrawal Policies

After students have enrolled in the Seminary or College, any action that would cause them to leave the Seminary or College before routine completion of the semester (voluntary or involuntary) will be considered a withdrawal.

To officially withdraw from the Seminary or College, students must have an approved withdrawal form completed. Contact the Seminary-Graduate Studies Office to initiate this process.

Whenever students withdraw and owe money on their account, the money is due upon withdrawal. Interest of one percent per month (12% APR) will be charged on the unpaid balance beginning 30 days after the withdrawal until the debt is paid in full.

Should students leave the Seminary or College for any reason after having paid more than the amounts outlined above, a refund is made for any overpayment, but no refund is made to students for any other reason. No refunds are issued on a students' accounts until after the third week of school has been completed.

For students to withdraw from a class, they must obtain permission from the Registrar.

On Campus

Students are entitled to a full refund of tuition prior to commencement of instruction.

Fall and Spring: Students who have a withdrawal officially approved and the departure is before the end of the first three weeks of the semester owe the semester's tuition according to the following schedule:

During first week (25% tuition)	During third week (75% tuition)
Fall: Aug. 29–Sept. 4, 2023	Fall: Sept. 12–18, 2023
Spring: Jan. 22–28, 2024	Spring: Feb. 3–11, 2024
During second week (50% tuition)	After three weeks (100% tuition)
Fall: Sept. 5–11, 2023	Fall: after Sept. 18, 2023
Spring: Jan. 29–Feb. 4, 2024	Spring: after Feb. 11, 2024

Students also owe fees and room and board (if a residence hall student) at a prorated amount based on the length of their stay.

When students are accepted for the fall semester, they are expected to remain students at the Seminary or College for both the fall and spring semesters of that academic year. Reservations are automatically carried over from the fall semester to the spring semester within a given school year. Therefore, if students withdraw at the end of the fall semester, they must notify the Seminary-Graduate Studies Office in writing.

Summer: Students who attend class but withdraw before completing the session are responsible for full tuition and fees for the course that session (exception: students taking 2 courses each day or courses carrying a load of more than 3 credits—see the Business Office Supervisor).

Online

Students are entitled to a full refund of tuition prior to the term begin date. See p. 3 for term dates. Once the term begins, students are responsible for all tuition and fees whether or not they complete course requirements.

Notice of Liability

Pensacola Theological Seminary and Pensacola Christian College are not liable for damage to any personal belongings of students under any circumstances including the event of a catastrophe such as, but not limited to, windstorm, flood, hail, riot, riot attending a strike, civil commotion, explosion, fire, smoke, and vehicle or aircraft accident. Neither is the Seminary nor the College liable for loss or theft of personal belongings of students, staff, or faculty.

General Academic Information

General Admission Requirements

A baccalaureate degree from a recognized college is required before a student may be considered for admission to any seminary or graduate program. The course of study supporting the applicant's baccalaureate degree should be substantially similar to that required of Pensacola Christian College undergraduates. Individuals not holding a standard degree should contact the Seminary-Graduate Studies Office regarding bachelor equivalency requirements for seminary programs.

PTS and PCC reserve the right to withhold recognition of credits received at any seminary, university, or college that does not, in the opinion of the administration, meet reasonable academic standards.

Academic Admission Requirements

- Master's degree requires a bachelor's degree with a minimum 2.50 cumulative GPA (2.00 for M.Div. and M.Min. degrees).
- Specialist degree requires a master's degree with a minimum 3.00 cumulative GPA.
- Doctoral degree requires a master's degree (M.Div. or equivalent for D.Min.) with a minimum 3.00 cumulative GPA.

Specific degree programs may include additional admission requirements. Applicants who do not meet minimum academic admission requirements may be considered for provisional acceptance by the Academic Admissions Committee. Students accepted on a provisional basis must earn at least a 3.00 GPA (2.00 for Master of Divinity and Master of Ministry) upon completing 9 credits of graduate courses to continue in the program.

First-Time Students

If you are attending for the first time, use the following checklist to apply:

1. Apply online and pay the \$50 Application Fee. Payment may be made by Visa, MasterCard, Discover, or American Express. The application cannot be processed until this fee is received.
2. Request the institution of higher education that granted your bachelor's degree to send a complete transcript to the Director of Admissions. We must also have transcripts of all graduate-level work.

New International Students

Complete the above requirements under First-Time Students.

International students should allow a minimum of six months to complete application procedures. PCC is authorized under federal law to enroll non-immigrant alien students. It is required by United States Immigration and Customs Enforcement regulations that international students submit to the Seminary/College all application forms, academic records, and proof of financial responsibility before the Form I-20 can be sent. In addition, the College requires international students attending the fall or spring semester to submit one semester's tuition, room and board, fees, and

one-way transportation charges from the College to the student's home before the Form I-20 will be sent. Each semester must be paid in advance. All payments must be in U.S. currency. International students' accounts will be charged any handling fees assessed by a foreign bank (e.g., transfer funds, etc.).

Transcripts from non-U.S. institutions must be evaluated by Educational Credential Evaluators (ECE). Start your evaluation at ece.org. Choose the Course-by-Course evaluation and follow the steps required. PTS/PCC must receive the evaluation report before your file will be reviewed for final acceptance.

Students whose primary language is not English are required to take the Test of English as a Foreign Language (TOEFL). Have your TOEFL scores sent directly from the Educational Testing Service to the Director of Admissions as soon as possible. This is done automatically if you specify our college TOEFL number 5970 when you register for this test. Scores must be received before your file will be reviewed for final acceptance.

A minimum score of 80 on the Internet-based TOEFL (20 per section) is required for entrance into the graduate programs. Applicants whose TOEFL composite score is below the standard may be considered for provisional acceptance by the Academic Admissions Committee. Students accepted on a provisional basis must earn at least a 3.00 GPA (2.00 for Master of Divinity and Master of Ministry) upon completing 9 credits of graduate courses to continue in the program.

Continuing Students

If you have previously attended PTS or PCC graduate studies and the next course you are applying to take is *within 12 months* of the last course you took, you are a continuing student. Contact the Seminary-Graduate Studies Office to indicate which sessions, terms, or modules you plan to attend.

Reenrolling Students

If you have previously attended PTS or PCC graduate studies and the next course you are applying to take is *more than 12 months* from the last course you took, you are a reenrolling student. Submit an Application for Admission and pay the \$50 Application Fee.

Bible College Graduates

Bible school, Bible institute, or Bible college graduates must have earned a baccalaureate degree of a quality and type commonly recognized as representing the culmination of a liberal arts education. Under certain conditions, students with a Bible diploma may attend the undergraduate program of Pensacola Christian College and transfer their Bible school education into a baccalaureate degree before going on to do seminary or graduate work.

Changing Program of Study

Acceptance under one seminary or graduate program of study does not guarantee acceptance under another program of study. Students who want to change their program may need to complete a new application for that major (and include the \$50 Application Fee). Contact the Seminary-Graduate Studies Office for details.

Student Standing

A **regular student** is one who is currently enrolled and maintaining satisfactory academic progress toward completion of a degree.

A **provisional student** is one who is admitted with less than the minimum academic entrance requirements or who is presently under Academic Probation status.

A **non-degree student** is one who meets the qualifications to take graduate courses and is merely enrolling in courses for teacher certification, transfer, continuing education, or personal benefit.

A **full-time student** is one who is enrolled for 9 credit hours or more per semester.

A **part-time student** is one who is enrolled for fewer than 9 credit hours per semester.

General Residence Requirements

All courses except Continuing Dissertation/Major Project Services, approved PTS/PCC Online Learning (p. 20), and Independent Study courses must be taken on campus. Specific residence requirements are given under each program of study.

The student must take required courses in the sequence predetermined by the Seminary or College. A student taking courses out of sequence may require more time to complete a degree than the standard residence options require.

Students who want to take less than the normal load may do so and thereby extend the period of time required to complete their program of study. Students who do not take a course within 12 months may be subject to any changes in degree requirements.

A normal full-time seminary or graduate load is 9 to 15 credits, depending on the program in which a student is enrolled. A maximum load is 16 credit hours during a semester or summer term, including online courses and one-week modules.

Residence hall students must be classified as full-time or be taking a minimum of 6 credits when fewer than 9 credits are offered for their program of study.

Time Limits

All work for graduate degrees must be completed within seven years (six years for the D.Min. and five years for the Ed.S.).

Students who interrupt their enrollment for more than 12 months may have the time limit extended to exclude the time they were not enrolled but are subject to any changes in degree requirements and may be required to repeat courses with content that has changed significantly since the time the course was taken.

Extensions beyond the time limit for a particular degree (no more than two years) may be granted at the discretion of the Graduate Committee. Students must make their request in writing and submit it to the Seminary-Graduate Studies Office stating the reasons for the extension and the expected date of degree completion.

Academic Credit Policies

Credit Hour

One semester credit hour represents the equivalent of one hour of lecture or two hours of laboratory work each week. Class lecture or laboratory time combined with outside classwork or studying is expected to equal approximately three hours per credit each week. An equivalent amount of work is required for studio work, practicums, internships, and classes that do not meet on the semester schedule.

Transfer of Credit

It is the practice of PTS, PCC, and other colleges and universities to accept or reject credits based on their own institutional criteria, regardless of whether or not that particular school transferring credit is accredited. PCC reserves the right to withhold recognition of credits received at any college or university that does not, in the opinion of the administration, meet reasonable academic standards. It is the policy of the College to consider for transfer, credits earned in an approved or accredited college or university. Courses that are acceptable for transfer must be completed prior to enrollment and be similar in content to those replaced in the chosen program at PTS or PCC. Only courses with a grade of "A" or "B" are considered for transfer ("C" or higher for M.Div.). Transfer credits are excluded from a student's grade point average. At least 50 percent of the total credits required for a graduate degree must be completed at PTS or PCC.

Students who transfer credits from non-English-speaking countries are responsible to provide a certified translation of course descriptions. This certification may be made by (1) a commercial certifying organization or (2) an individual with appropriate credentials in the country where the student attended college.

Experience Credit

PCC does not grant graduate credit for work or life experience.

Online Learning

Many Pensacola Theological Seminary and PCC Graduate Studies courses are offered online to allow students to learn from home while still receiving the same quality instruction as on-campus students. You must have final acceptance into the Seminary or PCC Graduate Studies prior to your first time registering for a course.

Online-learning courses are offered during the fall, spring, and summer terms, and up to three courses may be taken in one term. See p. 3 for term dates. Register online at pcci.edu/grad/OnlineRegistration.

The following degrees may be completed entirely online: Bible Exposition; Biblical Languages; Master of Divinity; Master of Ministry; Master of Business Administration; M.S., Ed.S., and Ed.D. in Educational Leadership; and M.S., Ed.S., and Ed.D. in Curriculum and Instruction—Elementary, English, History, and Science specializations; and M.S. in Curriculum and Instruction, Mathematics specialization. PTS offers five graduate certificates (12 credits each) which also may be completed entirely online. Other seminary and graduate degrees may allow you to earn one third or more of your degree through online learning.

Course Scheduling

Registration

Students must be registered for a course to be eligible to earn credit for it. Registration dates are listed on the Calendar of Events (p. 3).

Students registering late must pay a Late Registration Fee (p. 12).

Plan for Learning

Pensacola Christian College offers a yearly program of instruction in which the 15-week fall and spring semesters are divided by a 5-week Interterm, a summer term, and one-week modules (p. 3).

Course Changes

Additions: During the drop/add period each semester, students may add a course to their schedule and register the change with the Records Office. A \$10 change of course fee will be charged.

On-Campus Drops: To drop an on-campus course, students must obtain approval from the Registrar. A \$10 drop fee will be charged. The course grade is recorded as follows:

Week 1	No record on transcript
Weeks 2–9	W — Withdrawn
Weeks 10–15	WP — Withdrawn Passing <i>or</i> WF — Withdrawn Failing

Online-Learning Drops: Students may drop an online-learning course by submitting a written request to the Online Learning Office. A \$10 drop fee will be charged. Tuition and fees are nonrefundable and nontransferable once the term begins. The course grade is recorded as follows:

Week 1	No record on transcript
Week 2–week before term ends	W — Withdrawn
Last week of term	WP — Withdrawn Passing <i>or</i> WF — Withdrawn Failing

Audits

Students wanting to take a class for personal benefit may audit a course with approval from the Registrar. Audited courses may not be changed to a credit basis after the course has started. Audited courses may not be taken a second time for credit.

Withdrawals

Anyone whose circumstances force him to withdraw from the Seminary or College must have a withdrawal form properly executed. Contact the Seminary-Graduate Studies Office to initiate this process. Course grades for withdrawals, whether voluntary or involuntary, will follow the same policy as dropping a course.

Irregular Scheduling

The Seminary and College cannot schedule courses for the convenience of individual students who cannot or who do not take courses in their regular sequence.

Course Cancellation

Any course with insufficient enrollment may be canceled.

Attendance

All students taking a course, regardless of classification, are expected to attend all scheduled classes.

During the fall or spring semesters, students missing more than a week of scheduled classes may lose one full letter grade. Students who accumulate more unexcused absences than the number of days a course meets in two weeks may be required to withdraw from the course, which could affect residency status. Those who miss more than the equivalent of three weeks of classes may be asked to withdraw.

Library and Learning Resources

The Rebekah Horton Library is housed in a 6-story complex with more than 105,000 square feet, designed to hold a collection of up to a half-million volumes. With seating space for more than 900, this facility provides open stacks, study carrels, a media lab, computer lab, music library, student study rooms, conference rooms, wireless internet access, and spacious study areas.

The library website allows students and faculty to locate research materials easily. Present library collections include more than 300,000 volumes, plus nearly 300 current periodicals. Online databases provide access to hundreds of thousands of additional periodicals and journals plus a wealth of other academic electronic resources. The Rebekah Horton Library also offers interlibrary loan service for patrons to request items from other libraries nationwide.

The library also exhibits historical and educational materials in an old-fashioned one-room schoolhouse classroom setting. The Bible manuscript collection contains rare Bibles and other materials that give evidence of Bible preservation through the centuries. The collection holds early editions of the English Bible, Old Testament scrolls, and famous Bible reference works.

Examinations

Students are expected to take all examinations on their assigned dates. If final examinations are missed, as a rule, they may not be taken later. However, if the student gains the instructor's approval and pays the Late Exam Fee, he may make up an examination.

Grading System

Final grades are issued at the end of each term. For summer sessions, grades are issued at the end of each course. For one-week modules, grades are issued after post-coursework is completed. Students have 60 days after the end of term to report grade discrepancies to the Registrar.

The following 4.00 grading system is for all students:

Grade	Grade Points Per Credit Hour
A — Excellent	4
B — Good	3
C — Passing	2
D — Unsatisfactory	1
F — Failure	0

For example, a student receives four grade points per credit hour for each "A." Students may determine their grade point average by dividing the total number of grade points earned by the total number of GPA hours. (Students who have taken a course more than once should see Repeating a Course below.)

Other codes that may appear on the grade report and/or transcript are:

I — Incomplete	P — Passed
W — Withdrawn	AU — Audit
WA — Withdrawn auditing	NG — No grade
WF — Withdrawn failing	CR — Credit
WP — Withdrawn passing	

Coursework in courses with a grade of "Incomplete" must be made up before the end of the seventh week of the following semester. Coursework not completed before the beginning of a semester is included in the student's academic load for that semester.

Repeating a Course

Students may repeat courses in which they did not earn a passing grade. All grades earned by students become a part of their permanent record and will show on any transcript issued by the Seminary or College; however, when a course is repeated, the highest earned grade is used in computing the grade point average, and the credit hours are counted only once. A student's grade point average will improve providing the repeated grade is higher than the previous grade.

Students may repeat up to two courses with a grade of "C-" or above to improve their grade point average. With approval of the Seminary or Graduate Committee, students lacking grade points may take additional courses to make up the grade-point deficiency.

No student may repeat a course more than twice. Students must secure the permission of the Registrar any time a course is repeated. Audited courses may not be taken a second time for credit.

Satisfactory Academic Progress

To remain in *good academic standing*, students are expected to maintain a 3.00 cumulative GPA in graduate studies (2.00 for M.Div. and M.Min.).

A student who falls below a 3.00 cumulative GPA (2.00 for M.Div. and M.Min.) after completing 9 credit hours may be placed on Academic Probation, which will be noted on the student's permanent record.

If at the end of the following term the student's cumulative GPA is at least 3.00 (2.00 for M.Div. and M.Min.), the student will be removed from Academic Probation.

Students on Academic Probation who do not raise their cumulative GPA to at least 3.00 (2.00 for M.Div. and M.Min.) at the end of the next term may be subject to Academic Dismissal, which will be noted on the student's permanent record.

A student who has completed at least 9 hours and has less than a 2.00 cumulative GPA (1.00 for M.Div. and M.Min.) may be subject to Academic Dismissal.

A student with a term GPA of 2.00 or lower (1.00 for M.Div. and M.Min.) may be placed on Academic Probation, even if the student's cumulative GPA remains 3.00 or above (2.00 for M.Div. and M.Min.). A student with a term GPA of 2.00 or lower (1.00 for M.Div. and M.Min.) for two consecutive terms may be subject to Academic Dismissal.

Appeal for an extension of Academic Probation or Dismissal status must be made in writing to the Academic Vice President.

A student academically dismissed from one graduate program may apply for admission to another graduate program.

Although Pensacola Christian College does not accept state or federal financial aid, the institution voluntarily abides by the general guidelines of the Family Educational Rights and Privacy Act of 1974 (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) as they apply to the release of educational records. Bible Department

Pensacola Theological Seminary has a *biblicist* approach in its graduate Bible program in contrast to the pseudointellectual approaches of our day. In an attempt to be *academic*, many focus on teaching erroneous views of liberal theologians. The goal of our Bible program is not to fill our students' minds with doubts and questions raised by liberals, but rather to fill our students' souls with the Word of God itself. At PTS, *meditating on God's Word* and *ministering with God's Word* go hand in hand.

Service is the essence of ministry, and true leadership is impossible without a servant's heart. Pensacola Theological Seminary prepares servant-leaders to *share* the gospel **boldly**, *preach* the Word **clearly**, and *shepherd* the flock **faithfully**.

Many local churches have Christian day schools. Pastors seeking training to help them lead a church-school ministry more effectively may take courses in Christian school management.

Graduate Certificates

- 30** Biblical Studies
- 30** New Testament Studies
- 31** Old Testament Studies
- 31** Pastoral Ministries
- 31** Theological Studies

The purpose of the graduate certificates offered by PTS is to provide specialized instruction in a focused area of study.

Learning Outcomes: Students who complete a PTS graduate certificate will be able to demonstrate a graduate-level knowledge in a chosen emphasis.

These certificates are ideal for individuals who desire the benefits of graduate-level education with the flexibility of online learning, whether they are in vocational ministry or lay persons. Classes can only be applied to one certificate program. These certificates can be transferred into a seminary degree or can be earned independently. Students who wish to apply certificate credits to a degree program will need to meet the grade and GPA requirements for that program.

Admission Requirements

A bachelor's degree with a minimum 2.00 cumulative GPA is required.

Residence Requirements

All coursework may be completed via online learning. Courses are also offered on campus during the fall and spring semesters and summer sessions.

Graduation Requirements

Earn a 2.00 grade point average and receive at least a "C-" in all courses. All classes must be completed through PTS.

Learning Outcomes: Graduates of this program will be able to

- demonstrate an advanced knowledge of the Word of God through expositional study,

This program is the keystone program of Pensacola Theological Seminary, preparing men to be servant-leaders who share the gospel boldly, preach the Word clearly, and shepherd the flock faithfully. A strong foundation of Bible-content coursework is supplemented by training and additional tools to aid in the pastorate. This program aims at the student's acquisition of sound tools for studying the Scriptures with an emphasis on expository preaching. Comprehensive coverage coupled with technical skills is a hallmark of this curriculum.

Study for the Master of Divinity includes mastery of a field of knowledge combined with close attention to personal spiritual growth. A minimum of 96 credit hours beyond the bachelor's degree is required for the M.Div. degree.

Admission Requirements

See General Admission Requirements (p. 17). Master of Divinity students are not required to have majored in Bible on the undergraduate level. A liberal arts baccalaureate degree substantially similar to that of PCC undergraduates is required. Students not holding a standard baccalaureate degree should contact the Seminary-Graduate Studies Office for admission options.

Advanced Standing

An incoming student may receive up to 24 hours of advanced standing. Advanced standing will be granted only for undergraduate courses with content comparable to

those offered at Pensacola Theological Seminary and in which at least a “B-” was earned.

Transfer of Credits

See Transfer of Credit policy (p. 20).

Three elective hours may be transferred for the Master of Divinity program for completing a chaplain training course of the U.S. Army, Navy, or Air Force. Transcripts and a copy of the training certificate are required before the credit may be applied to a student’s academic record.

Residence Requirements

All work for the M.Div. degree must be completed within seven years. All coursework may be completed via online learning. Course requirements may also be completed on campus in six semesters with some online learning or summer sessions. Course load may be reduced by enrolling in summer sessions, online learning, or additional fall/spring semesters.

Plan of Study

The Master of Divinity program requires a minimum of 96 credit hours of coursework. Students who did not earn credit for Baptist Polity and/or Church Planting from PCC on the undergraduate level will be required to take PT 501 Baptist Polity and/or PT 513 Evangelism and Church Planting in addition to the 96 credit hours. During each semester, the applicant will enroll in a maximum of 16 credit hours of courses on campus or a maximum of 9 credit hours online.

Two different tracks (pp. 38–39) accommodate a wide variety of undergraduate training. Track 1 is for students whose undergraduate training included exposure to Bible-content courses. Track 2 is for students called to the ministry after completing a liberal arts baccalaureate degree with no prior formal Bible training.

Doctor of Ministry Degree [D.Min.]

The purpose of this degree is to provide advanced professional training for those who have been successfully engaged in ministry.

Learning Outcomes: Graduates of this program will be able to

- demonstrate an advanced knowledge of the Word of God through expositional study,
- offer a credible defense of sound doctrine,
- integrate a greater understanding of Scripture into various ministry contexts,
- evaluate current issues affecting ministry in light of biblical teaching,
- demonstrate advanced integration of biblical and pastoral disciplines pertaining to ministry in the church, and
- identify, assess, and meet the needs of his ministry.

The class format of this program is one-week modules and online learning, which offer the convenience of limited time away from ministry as well as the practical integration of active ministry, academic endeavor, and disciplined reflection.

The Doctor of Ministry program prepares the student for a life as a Christian servant and leader. The program has a fourfold emphasis:

1. to complement the work of the student currently successfully engaged in ministry by exposing him to fresh ideas and lively interchange of ministry concepts with others in active service;
2. to provide high-quality training in practical application of his knowledge of the Word of God;
3. to give him a proper understanding of and appreciation for the Scriptures as the inerrant, infallible, and authoritative Word of God; and
4. to give him a proper understanding of himself in relation to Almighty God and God's Word as a redeemed sinner who has become a son. The graduate will be able to *"rightly divide the Word of Truth"* and make his knowledge productive in evangelizing the lost and edifying the saints.

Admission Requirements

In addition to the General Admission Requirements (p. 17), the student must have completed three years of vocational ministry experience. A significant portion should be after the completion of the M.Div. Please contact the Seminary-Graduate Studies Office for further details.

Requirements for the D.Min.

The successful doctoral student must be a mature and responsible individual, able to act on his own initiative. Doctoral programs are more flexible and varied than those leading to other graduate degrees and are designed to build upon the individual's previous academic preparation. All doctoral programs must be approved by the Seminary Doctoral Committee. A minimum of 30 credit hours beyond the M.Div. degree or its equivalent is required for the D.Min. degree, including 21 credits of courses

with a DM prefix (which may include TH 538), 3 credits for TH 640, and 6 credits of research (DM 790).

Residence Requirements

All work, including the defense of the major project, must be completed within six years. The six years begin with the first course taken in the D.Min. program. Students who are unable to complete their degree in six years may request an extension, not to exceed a total of ten years to complete degree requirements.

All D.Min. courses, except Research Study (major project), are taken in one-week modules offered in January, May, and August and via online learning (up to four courses). A maximum of three courses (nine credit hours) can be completed each year unless permission is granted by the Seminary Committee. This schedule allows the student sufficient time for application of course material in his home ministry as well as sufficient time for the completion of pre-course and post-coursework.

Students must be registered for Continuing Major Project Services to be completed at the students' home residence when they are doing their independent research.

See one-week modules (p. 42).

Plan of Study

Students in the Doctor of Ministry program complete a minimum of 24 credit hours of coursework. At the completion of all required coursework or upon submission of the Major Project Topic Overview (whichever comes first), the D.Min. student must register for Continuing Major Project Services (equivalent to a minimum of 6 terms) continuously until the major project is successfully defended and presented ready for binding. Defense of the major project will be scheduled after the major project has been acknowledged by the Seminary Doctoral Committee and primary reader as worthy of the formal defense procedure.

Written and oral comprehensive examinations are not required for the Doctor of Ministry degree.

Major Project

Every candidate for a doctoral degree is required to prepare and present a major project that is acceptable in form and content to the student's Doctoral Committee and the Seminary. The major project differs from the standard doctoral dissertation, which is generally more theoretical in nature. The project is more practical in orientation, focusing on the application of knowledge to the individual's ministry.

The student must register for Continuing Major Project Services until the project is completed, whether or not the student resides in Pensacola. If the final copy is not acceptable and not presented for binding within 30 days after the defense, a \$150 final copy extension fee will be charged for each additional 45 days.

All major projects and other projects prepared as part of the requirements for a seminary degree automatically become the property of Pensacola Theological Seminary and may not be published or reproduced without the written consent of the College.

Candidacy

A Doctor of Ministry student is required to maintain a 3.00 grade point average while completing his seminary studies. A student is eligible for candidacy for a D.Min. degree after he has completed all his coursework and received the Seminary Doctoral Committee's approval of his major project proposal.

One-Week Modules

Pensacola Theological Seminary realizes that not all applicants to the seminary programs can remain away from their ministry for five to seven weeks during the summer. Therefore, one-week seminary modules are offered on the campus of Pensacola Theological Seminary during January, May, and August (see [website](#) for course dates and offerings). Assigned preparation must be completed prior to the classroom instruction, and post-module coursework is required. Therefore, all applications for the modules must be postmarked at least four weeks before classes begin. (In January, applications must be postmarked by December 1 because of the holidays.) Recommended arrival is Sunday. All students must arrive in time for registration on Monday at 7:30 a.m. Final course papers are generally due 90 days after the last class meeting.

M.S. in Curriculum and Instruction

Music Specialization

Additional Learning Outcomes: Graduates of the music specialization will also be able to

- identify forms and style characteristics in music literature and
- produce public performances showing graduate proficiency in music.

This program is designed to provide the music educator with advanced training in education as well as in a specific music proficiency (conducting, instrumental, keyboard, or vocal). The student receives further training in music history, music theory, and literature for piano, vocal, choral, or orchestral settings.

Admission Requirements

See M.S. Admission Requirements (p. 49). Graduate applicants must have majored in music on the undergraduate level. Music applicants must complete an audition.

An entrance examination in music theory (sight singing, dictation, part writing, harmonic and formal analysis) is required. Applicants who do not earn a satisfactory score on the exam must take a review course in the appropriate area with no graduate credit.

Graduate students in voice must be proficient in oral pronunciation and principles of IPA transcription. A diagnostic diction exam will be offered in conjunction with the graduate platform at the end of a student's first semester of study. Students receiving a lower-than-satisfactory score on the diagnostic exam are required to take a review course with no graduate credit.

Music Proficiency

All music graduate students must demonstrate basic keyboard skill before completing the degree program.

Private music instruction in the student's proficiency is required each semester. Music instruction is available in voice, keyboard, strings, brass, woodwind, percussion, and conducting. MU 646 Graduate Recital includes private music instruction. Ensemble credit includes Chamber Ensemble, Orchestra, or Accompaniment Practicum.

Progress Evaluation

Continuation in this graduate program is dependent upon an ongoing evaluation of the student's abilities. Students must successfully complete a graduate music platform in their proficiency at the end of their first semester in the program. A student may be removed at any time from the program if, in the opinion of the faculty/administration, the student fails to perform satisfactorily or improve sufficiently in the appropriate skill, regardless of the student's academic average in the program.

A student earning a "C+" or lower in any private lesson may be required to repeat that course. A student cannot repeat a private lesson more than one time. Upon the student's earning a "C+" or lower in another private lesson, the Graduate Committee reviews the student's status to determine eligibility to continue in the graduate program.

Doctor of Education Degree [Ed.D.]

64 Curriculum and Instruction

with specializations in

65 Elementary

67 Science

68 Educational Leadership

Admission Requirements

See General Admission Requirements (p. 17). An applicant is not required to have majored in education on the undergraduate level. However, some curriculum and instruction specializations do have additional admission requirements.

Students may not earn both a master's degree and an Ed.S. or Ed.D. from PCC in the same specialization, except educational leadership. Those who completed a Master of Science degree in educational leadership and want to pursue a higher degree in the same area should contact the Seminary-Graduate Studies Office for adjustments to required courses.

Requirements for the Ed.D.

Doctoral study consists of the mastery of a field of knowledge and the successful pursuit of research. Requirements for the doctoral degree include a minimum of 60 credit hours beyond master's degree or 90 credit hours beyond bachelor's degree and doctoral research.

Residence Requirements

Each education doctoral student must complete a minimum of 48 credit hours of coursework. All coursework may be completed via online learning. Coursework may also be completed through on-campus summer sessions and online learning. Up to 12 credit hours may be earned during the 7-week summer term.

Students must be registered for Continuing Dissertation Services to be completed at the student's home residence when they are doing their independent research.

Plan of Study

Students should plan to take the core courses early in their program. Within one year after completing all coursework, comprehensive examinations must be taken. At the completion of all required coursework or upon approval of the Dissertation Topic Approval Form (whichever comes first), the doctoral student must register for Continuing Dissertation Services (equivalent to a minimum of 6 terms) continuously until the dissertation is successfully defended and presented ready for binding. Defense of the dissertation will be scheduled after the dissertation has been acknowledged by the Dissertation Committee as worthy of the formal defense procedures.

All work including the final oral defense of the dissertation must be completed within 7 years. The 7 years begins with the first course taken in the doctoral program.

The Doctor of Education degree will be conferred upon only those of strong character, displaying qualities of leadership and evidencing a high degree of scholarship in their chosen fields.

Dissertation

Every candidate for a doctoral degree is required to prepare and present a dissertation acceptable in form and content to the student's Dissertation Committee. It is necessary that the work be of publishable quality. The dissertation must exhibit originality and thoroughness of research and must be an exhaustive treatment of the subject chosen. Matters of format, grammar, and mechanics must be approved by the college dissertation reviewer. Mere technical form is not enough; the material should reflect the high quality of research and knowledge expected of a doctor of education.

The student must register for Continuing Dissertation Services until the project is completed, whether or not the student resides in Pensacola. If the final copy is not acceptable and not presented for binding within 30 days after the defense, a \$150 Dissertation Final Copy Extension Fee will be charged for each additional 45 days.

All dissertations and other projects prepared as part of the requirements for a graduate degree automatically become the property of Pensacola Christian College and may not be published or reproduced without the written consent of the College.

Candidacy

Students are eligible for candidacy for a doctoral degree when they have (1) completed all coursework, (2) passed their written and oral comprehensive examinations, and (3) received the College Doctoral Committee's approval of their prospectus.

Graduation Requirements

See p. 24.

Technology Requirements

Students enrolled in ED 718 and ED 726 are required to own a personal laptop for use in class. An SPSS subscription is also required. Laptop specifications must meet SPSS system requirements.

75 Dramatics

The Master of Arts degree in music develops the individual's ability to effectively honor the Lord through music. Building on a strong foundation of undergraduate music training, this master's program allows for intense musical development. Accomplished faculty provide academic and artistic training necessary for careers in ministry, education, and performance venues.

The Master of Fine Arts in dramatics balances theory and technique with practical application. The M.F.A. curriculum provides advanced training in directing and staging dramatic productions and personal interpretation while further developing the student's research skills. Students are taught from a traditional philosophy with special emphasis given to training directors and performers to meet the artistic needs of Christian ministries.

Admission Requirements

See General Admission Requirements (p. 17).

Music: Applicants must have majored in music on the undergraduate level. Music applicants must complete an audition. An entrance examination in music theory (sight singing, dictation, part writing, harmonic and formal analysis) is required. Applicants who do not earn a satisfactory score on the exam must take a review course in the appropriate area with no graduate credit.

Graduate students in voice must be proficient in oral pronunciation and principles of IPA transcription. A diagnostic diction exam will be offered in conjunction with the graduate platform at the end of a student's first semester of study. Students receiving a lower than satisfactory score on the diagnostic exam are required to take a review course with no graduate credit.

Dramatics: Applicants need at least 18 semester credits of speech performance/production on the undergraduate level and must complete an audition.

Progress Evaluation

Continuation in the graduate program is dependent upon an ongoing evaluation of the student's abilities. Music students must successfully complete a graduate music platform in their proficiency at the end of their first semester in the program. A student may be removed at any time from the program if, in the opinion of the faculty/administration, the student fails to perform satisfactorily or improve sufficiently in the appropriate skill, regardless of the student's academic average in the program.

A student earning a “C+” or lower in any private lesson or practicum course may be required to repeat that course. A student cannot repeat a private lesson or practicum course more than one time. Upon the student’s earning a “C+” or lower in another private lesson or practicum course, the Graduate Committee reviews the student’s status to determine eligibility to continue in the graduate program.
