## FROM OUR LISTENERS

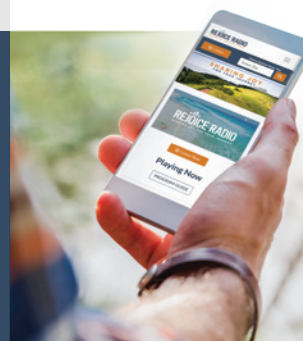

Thank you for sharing how God has blessed you through *Rejoice Radio*!

I just want to share a testimony of how much I enjoy the station. I've been listening for over 25 years, but it has been a special blessing the last three years as my wife has been confined to a nursing home and I'm living alone. I really enjoy listening to Craig Mattson in the mornings. I appreciate all the other programs. I love to listen to the different speakers during the day, especially the news on the hour to keep up with what's going on. But, the station has been such a blessing to me and my wife for many years. And I thank you so much for all you do to encourage us with the playing of Christian music and Christian programs. Thank you so much.

—Jerry in Alabama

I love your music. When most Christian radio stations have started playing songs that are man centered/anthropocentric, and sound more secular, *Rejoice* plays God centered/Theocentric songs. The lyrics like theology are important. The songs cause me to look up, and consider how transcendent our Creator is. They elevate my mind, and heart, and remind me who it is that rules creation. There is great peace in Christ between us and God.
