SHARING JOY FOR YOUR JOURNEY

## FROM OUR LISTENERS

"I enjoy the programming you put forth. My radio is tuned to *Rejoice Radio* at work and in my truck. The programs, preaching, and teaching are top-notch. I love to listen all day long. It is a real joy when I have a quiet day and can listen all day. Thank you and may God bless you all for your works to further the gospel of Jesus."

—Ronald from Maryland

"I am weary of all the low-class music that is heard in stores, ads, restaurants, and sadly even some 'Christian radio stations.' My heart craves the refreshing sound of music that feeds the soul and pleases the Holy Spirit. I am so pleased to be able to listen to the music on *Rejoice Radio*. It is so refreshing to hear songs about Jesus that honor Him, and songs about His coming soon. I hope He comes today! Instead of weariness, there is abounding joy. I don't have to force myself to listen to Christian music because I should listen to it. I listen to it because my heart desires it. Praise the Lord for your music."

—Robert from Indiana

"I listen to *Rejoice* in Boise, ID, and it has been a blessing for many years, but my need to listen increased during the pandemic. Once in a while, I would crawl into my car and feel the weight of all the changes and loss of family gatherings, etc., and it always seemed that the songs being played on those days were just perfect to lift my spirit. But today was the best ever! The first song in the group was 'Is He Worthy,' followed by 'I Will Sing, Sing a New Song to the Lord,' and finally 'At the Midnight Cry.' At that point, having cried and sung along on all three, I felt that my car and I were about to lift off. The Holy Spirit was near, and I want to thank you for being faithful to the cause of ushering Him into our homes and cars, and thus into our hearts."

—Betty from Idaho

"I am a retired nurse after 52 years, living in Alabama. Many years my radio was on WPCS as I drove to and from work. I prayed for my patients-to-be and worshipped God with you all. Now I am retired and our radio stays tuned to you. Thank you for bringing back so many good memories during your anniversary celebration."
