DEAR FRIEND,

Little is much when God is in it! With that theme, the Fall Share-a-thon month began. Trusting God, *Rejoice Radio* set a goal of \$330,000 to cover a portion of our annual budget and the cost of repairs to the transmission system of WPCS. God did just that, and then some—through our listeners, He has provided over \$420,000.

Because of your partnership, *Rejoice Radio* is reaching the lost and edifying believers. With 42 over-the-air FM stations and multiple streaming channels, *Rejoice* programming circles the globe into over 70 countries. Our streaming channels alone average over 18,000 unique listeners per month. Thank you for being a part of the *Rejoice Radio* family; we can't do this without you!

Not only did the Lord provide financially, but in the Lord's timing, WPCS returned to full coverage during Share-a-thon. WPCS had experienced significant damage in July to its antenna and transmission system and had been operating on significantly reduced power since that time. On Friday, October 7, the station finally returned to broadcasting at total capacity!

But the work doesn't stop there! We are awaiting the new transmitter for KPCS to arrive from the manufacturer in Canada. The new equipment will improve efficiency and increase our coverage in Minneapolis. Please pray for the timely delivery of the equipment.

Also, we are exploring more opportunities to reach people for Christ with the gospel! We are considering adding new streaming channels and constructing a new full-power station in the Greater Indianapolis area. These projects will be announced in more detail next year.

With your continued prayers and donations, this ministry continues to impact lives with the message of hope found in Jesus Christ. If you didn't give during Share-a-thon, you may still do so. To contribute, visit us online at Rejoice.org, call 1-800-726-1191, or mail in the enclosed card.

I am so thankful for a radio station that stays strong in the Word of God and true gospel music and (is) not trying to conform to the ways of the world! —Lyndon

My father found *Rejoice Radio* and shared it with me in 2000. I was more than excited and have many blessings to praise the Lord for. Thank you for all your meaningful programs. —Polly

We recently went through one of life's valleys. I was driving to the hospital and thought, "I'd really like to hear 'Even in the Valley' right now. Well, I didn't have it available in the vehicle (and wasn't) able to search online while driving. So I asked Siri to open the *Rejoice Radio* app on my phone, thinking I'd hear something similar. As *Rejoice* turns on, I hear ONE CHORD, and I know what song it is—"Even in the Valley"—God is Good! —Esther

I love your station, and it's like having church as I drive or (am) in my home. —Sandra
