Dear Listener,

Throughout the Bible, doors symbolize crucial moments in ministry. The Apostle Paul asked the Colossian Christians to pray for a “door of utterance” in sharing the gospel (Colossians 4:3). In Revelation 3:8, Jesus refers to doors of opportunity divinely orchestrated—doors opened and closed solely by God—to underscore the significance of these moments.

Rejoice Radio has a significant opportunity ahead: an open door to expand our station network. We’ve been blessed with the chance to establish a new full-power station in Monticello, Indiana, within greater Indianapolis. This venture allows us to spread the gospel to a wider audience and enhance believers’ spiritual growth through *Rejoice Radio’s* exceptional programming. The goal is to have the station on the air in 2024, but we need your help as we walk through this door.

Listeners like you have stood with *Rejoice Radio* to meet our operational needs and fund new projects over the years. These loyal supporters play a crucial role in our transformative radio ministry, united in our mission to impact lives for Jesus and spread the gospel to those who seek Him.

Join us on **April 10 and 11** for *Rejoice Radio’s* on-air **Spring Share-a-thon**. These pivotal days will be a testament to the Lord’s work through your support and that of many others, helping us fund our ministry and achieve our goals for 2024. Our target is to raise **\$125,000** during this fundraiser to launch the new Indiana station and modernize some aging broadcast equipment.

(over, please)
