## But What is Man

— A Word from Pastor Jeff Redlin —

The number of things that come and go from our minds on any given day can be quite remarkable. Matters that pertain to work, family, church, friends, school, or whatever can, at times, be overwhelming. I have found that when I have much to accomplish, those things that are of lesser importance seem to become “lost” in the sea of the more important. Our minds tend to categorize and remember things that we deem worthy of retention and to conveniently dismiss those matters that are of lesser importance.

I imagine King David, when he was young and served as a shepherd, spent many wonderful hours gazing upward at the majesty and glory of the night sky. Out in the field, away from the light of town, David’s view of the heavens would have been spectacular. He wrote of how he paused to consider the fact that the incredible expanse of the universe was simply a work of God’s fingers. Then, after pondering the splendor of the heavens, as if some powerful realization washed over him, he writes:

*What is man, that thou art mindful of him?*  
Psalm 8:4

I can understand that God would take knowledge of so many other important matters, but me? What an incredible, thoughtful, and loving God! I am left to exclaim with the Psalmist when he concludes:

*O LORD our Lord, how excellent is thy name in all the earth!* Psalm 8:9

As you reflect on the greatness of God and His love for us, I trust you will consider the blessings that *Rejoice in the Lord* brings to you. God brought this ministry to life over 40 years ago, and He has sustained it through the gifts of viewers like you. We need your prayers and financial support to continue this work. Your gift today will help us proclaim the greatness of God to a lost world who needs Him.

*The LORD hath made known his salvation.*  
Psalm 98:2
