A Little Something Now

— A Word from Pastor Jeff Redlin —

Have you ever found yourself waiting for a special meal but needed a little something to “tide you over” until the meal was served? At times, a wise mother will give a little something to a hungry child, just a taste of that which is to come, to help satisfy his hunger until the full meal is ready to be enjoyed.

God, in His wonderful goodness, has a very special meal prepared for all those who belong to Him. The Bible refers to this special meal in Revelation 19:9.

And he saith unto me, Write, Blessed are they which are called unto the marriage supper of the Lamb.

I am eagerly anticipating that wonderful, heavenly meal, served for all the saints of all the ages with the host being none other than our Lord, Jesus Christ. We'll sit down together for fellowship around a meal unlike one we've ever enjoyed before!

But we are not yet around that table, and we're hungry! God, in His gracious and

thoughtful provision, gives us a taste in this life of what that meal to come will be like. He even invites us today to *taste and see* (Ps. 34:8) that which we will one day enjoy. No, it's not the full meal now, but it sure does whet our appetite for what's coming! The meal in Heaven will be unlike any we've ever experienced here, but God has so wonderfully allowed us to have “a little something now.” I hope you are getting a daily taste of that which is to come.

Fellowship with other believers through the ministry of *Rejoice in the Lord* is a little glimpse of Heaven here on earth. The joys of gathering together for the preaching of God's Word and singing His praises are blessings we enjoy in this life. Take a moment right now to thank God for the wonderful opportunity to meet together weekly and ask God what He would have you invest in this spiritual ministry. *Rejoice* needs your prayers and financial support to continue this outreach into your community and around the world.
