

GROUP ROOMING REQUEST

Teen Extreme Camp

Guidelines:

To request specific rooming assignments for your group, **please return this form by 8 a.m. the Tuesday prior to camp**. Since camp cards are programmed to access your assigned camp room, requests received after this date cannot be accommodated. **Rooming changes cannot be made at check-in.**

Campers are placed in rooms according to their birth gender. Rooms are equipped with 2 twin-sized bunk beds and are assigned 3–4 people depending on a group's attendance numbers (e.g. 12 male group participants would be roomed in 3 to 4 rooms). Sponsors are roomed with campers (private rooms are not available). Campers who are 13 years old and under *must* be roomed near a sponsor. Please write an "S" next to the sponsor names below.

Note: Youth Outreach Ministry reserves the right to make changes to rooming requests that do not follow the above stated guidelines.
